in 1968 british leyland brought together many of britain s motor manufacturers with the intention of creating a robust unified group that could equal the strength of the big european conglomerates but this was not to be there have been many books about the politics and the business activities of british leyland but british leyland the cars 1968 1986 looks exclusively at the cars that came from the company both the models it inherited and those it created the eighteen years of the corporation s existence saw a confusing multitude of different car types but this book resolves these confusions clarifying who built what and when the book takes 1986 as its cut off point because this was the year that the old british leyland ceased to exist and what was left of the car and light commercial business was renamed the rover group the book includes production histories and technical specifications of every major model the special overseas models appendices on engines code names and factories buying guidance on the models built in britain this is the most

comprehensive book so far to focus on the cars from british leyland between 1968 1986 and it provides an overview of each model s production history together with essential specification details it is profusely illustrated with 178 colour and 63 b w photographs

since its introduction the skyline gt r has been the undeniable king of the tuner car world this book explains why along with an overview of skylines since their debut in 1957 author alex gorodji gives in depth reviews of the last four generations of gt rs including the new for 2008 v35 the first iteration of the car to be sold in the u s paying special attention to technical aspects such as the all wheel steering and drive systems the chassis and the legendary six cylinder twin turbocharged engine his work explains the gt r to those who already admire the car and to those who wonder what the excitement is all about

the third edition of an established text this book provides comprehensive treatment of international marketing issues and includes expanded coverage of eastern europe and the pacific rim new for this edition are the expanded use of mini cases within the text to illustrate the latest developments in marketing together with expanded coverage of south east asia and the pacific rim central and eastern europe globalization culture financial aspects of marketing included throughout are self assessment and discussion questions key terms references and bibliography

this all new edition profiles more than 180 of the most popular models from 1990 to the present including photos descriptions specifications retail prices safety recalls trouble spots and replacement costs features evaluations of cars trucks suvs and minivans plus shopping tips checklists and essential information that helps the buyer choose the right car the first time
