the database and expert systems applications dexa conferences are dedi cated to providing an international forum for the presentation of applications in the database and expert systems field for the exchange of ideas and experiences and for defining requirements for the future systems in these fields after the very promising dexa 90 in vienna austria we hope to have successfully established wjth this year s dexa 91 a stage where scientists from diverse fields interested in application oriented research can present and discuss their work this year there was a total of more than 250 submitted papers from 28 different countries in all continents only 98 of the papers could be accepted the collection of papers in these proceedings offers a cross section of the issues facing the area of databases and expert systems i e topics of basic research interest on one hand and questions occurring when developing applications on the other major credit for the success of the conference goes to all of our colleagues who submitted papers for consideration and to those who have organized and chaired the panel sessions many persons contributed numerous hours to organize this conference the names of most of them will appear on the following pages in particular we wish to thank the organization committee chairmen johann gordesch a min tjoa and roland wag ner who also helped establishing the program special thanks also go to gabriella wagner and anke ruckert dimitris karagiannis general conference chairman contents

conference committee

describes the indecision which leads to hamlet s ruin suggests a fresh interpretation and discusses shakespeare s themes and techniques

2023 24 jssc pgttce english solved papers practice book

reprint of the 1917 ed published by stratford co boston

1908 from the introduction in these lectures i propose to consider the four principal tragedies of shakespeare from a single point of view nothing will be said of shakespeare s place in the history of either english literature or of the drama in general no attempt will be made to compare him with other writers i shall leave untouched or merely glanced at questions regarding his life and character the development of his genius and art the genuineness sources texts interrelations of his various works even what may be called in a restricted sense the poetry of the four tragedies the beauties of style diction versification i shall pass by in silence our one object will be what again in a restricted sense may be called dramatic appreciation to increase our understanding and enjoyment of these works as dramas to learn to apprehend the action and some of the personages of each with a somewhat greater truth and intensity so that they may assume in our imaginations a shape a little less unlike the shape they wore in the imagination of their creator
