david brown was one of britain s most innovative tractor manufacturers

this is the second volume in a trilogy of books that look in depth at the history of david brown tractors and a remarkable record of a proud company during what is probably the greatest period of its history part two focuses on the period during which the motto of this celebrated yorkshire company was mechanising the world s farms it was no

idle boast as this book explains the company expanded its product line to embrace a host of different models becoming a serious contender on the global market the famous cropmaster remained in production until 1953 but the exciting new developments that followed included the six cylinder 50d the innovative rowcrop 2d and a range of crawlers and industrial tractors diversifying still further david brown added the old established firm of harrison mcgregor guest together with its range of albion implements to its portfolio in 1955 the early 1960s saw the arrival of the implematic range before the era of red david brown tractors came to an end in 1964 this highly illustrated book is the result of many years of meticulous research during which time the author has met and interviewed many of david brown s key personnel including directors engineers and sales people many of the illustrations are taken from david brown s own archives and will not have been seen before

the david brown products described in this book include tracked as well as conventionally wheeled tractors it also covers specialist vehicles such as aircraft towing tractors it is illustrated with period photographs

this is the first in a trilogy of books profiling in detail david brown and its products david brown was a yorkshire company based around huddersfield its roots lay in wooden pattern making for the looms and weaving machinery of the area in the 1850s this led to the manufacture of the machine cut iron gears in which the company excelled in 1914 the company patented a worm thread for gears that eventually was adopted as the british standard thread their involvement with tractors began before world war ii when they had an agreement with harry ferguson to manufacture the ferguson brown when working with ferguson proved difficult the company developed its own ranges of wheeled and crawler tractors the vak series development was interrupted by the war during which the company s gears were used in the merlin engines that powered the spitfires this closely researched highly illustrated title tells the full story of this remarkable company s early years it concludes when the vak 1 c became one of britain s most popular tractors of the 1950s the cropmaster author stuart gibbard has interviewed many of the surviving engineers designers and other staff involved in the development and marketing of david brown s products

the definitive visual history of the tractor the complete history of farm machinery from steam and vintage tractors to the latest combine harvesters is showcased in this lavishly illustrated volume packed with images and tractor data on more than 200 iconic machines the tractor book explores the entire range of tractors and farming machines from around the world such as fordson model f and massey harris gp histories of famous marques such as john deere and massey ferguson sit alongside immersive visual tours of celebrated machines the tractor book covers how tractors work

their history major marques and catalogues tractors from every era making this a must have for anyone fascinating by these extraordinary machines

the little grey fergie is britain s best loved tractor the light user friendly machine that finally replaced the horse on farms this highly illustrated account covers the full history of harry ferguson s tractor products from his pioneering work before the 1930s to the merger with massey in 1957 the author has had access to fresh archive material and has interviewed many of the surviving men who were associated with ferguson the appeal of the fergie lay in its lightness and utility and also in the system of mechanized farming of which it was a part throughout the book reference is made to the implements which lay at the heart of the system stuart gibbard has won tractor and machinery magazine s award for the best british tractor book five years running
