over 150 years after its original composition charles dickens a christmas carol continues to delight readers the figure of ebenezer scrooge has become a cultural icon and tiny tim s god bless us every one is as familiar as merry christmas it is not surprising that dickens ghostly little book as he called it has proved popular with playwrights and screenwriters in everything from elegant literary treatments to animated musicals the role of scrooge has been essayed by actors from george c scott to mr magoo this critical account of the story s history and its various adaptations examines first the original writing of the story including its political

economic and historical context the major interpretations are analyzed within their various media stage magic lantern shows silent film talkies and television dickens other lesser known christmas stories like the cricket on the hearth are also examined and compared to the immortal carol finally a complete annotated filmography of all film and television productions based on a christmas carol is included with commentary on each version s loyalty to the original text the book includes 25 previously unpublished photos as well as analysis of previously undocumented productions the text includes a foreword by the distinguished film and literary scholar edward wagenknecht a bibliography and an index

the heinemann plays series offers contemporary drama and classic plays in durable classroom editions many have large casts and an equal mix of boy and girl parts this is an adaptation of dickens s popular christmas story for reading aloud and performing

most books on film adaptation the relation between films and their literary sources focus on a series of close one to one comparisons between specific films and canonical novels this volume identifies and investigates a far wider array of problems posed by the process of adaptation beginning with an examination of why adaptation study has so often supported the institution of literature rather than fostering the practice of literacy thomas leitch considers how the creators of short silent films attempted to give them the weight of literature what sorts of fidelity are possible in an adaptation of sacred scripture what it means for an adaptation to pose as an introduction to rather than a transcription of a literary classic and why and how some films have sought impossibly close fidelity to their sources after examining the surprisingly divergent fidelity claims made by three different kinds of canonical adaptations leitch s analysis moves beyond literary sources to consider why a small number of adapters have risen to the status of auteurs and how illustrated books comic strips video games and true stories have been adapted to the screen the range of films studied from silent shakespeare to sherlock holmes to the lord of the rings is as broad as the problems that come under review

there is no disputing that the coming of sound heralded a new era for adaptations we take it for granted today that a film is

enhanced by sound but it was not a view unanimously held in the early period of sound cinema while there was a substantial degree of skepticism in the late 1920s and early 30s about the advantages of sound what we would call technophobia today the inclusion of speech in screen versions of literary and theatrical works undeniably revised what it was to be an adaptation words focusing on promotional materials adaptations in the sound era tracks early attempts to promote sound through the elevation of words in adaptations in the early sound period the popular appeal of these films clearly stands in opposition to academic regard for them and the book reflects on the presence and marketing of words in a variety of adaptations from the introduction of sound in the late 1920s to the mid 1930s this book contextualizes a range of adaptations in relation to debates about picturizations of books in the early sound era including reactions to the talking adaptation by writers such as irwin panofsky aldous huxley and graham greene film adaptations of shakespeare dickens gothic fiction and biopics are also discussed in relation to their use and promotion of sound or more precisely words

a miser learns the true meaning of christmas when three ghostly visitors review his past and foretell his future

five plays from the children s theatre company of minneapolis was first published in 1975 minnesota archive editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original university of minnesota press editions among the notable productions of the children s theatre company of the minneapolis society of fine arts a leading exponent of children s theater in this country have been plays that are adaptations of classics in children s literature this volume makes available the scripts of five of these adaptations along with illuminating information about the productions and the company itself the plays include two adaptations by frederick gaines two by timothy mason and one by richard shaw mr gaines s plays are based on washington iring s the legend of sleepy hollow and charles dickens s a christmas carol one of mr mason s plays kidnapped in london is an adaptation of part of master skylark by john bennett and the other robin hood a story of the forest is based on part of the robin hood legend mr shaw s play is an adaptation in kabuki form of the grimms fairy tale sleeping beauty linda walsh jenkins writes a general introduction and commentary background information about each play includes excerpts from

discussions among directors composers designers and playwrights about the plays themselves and about various phases of the development of the productions highlights of the history of the children s theatre company and of the aims and accomplishments of its director john clark donahue are given and these will be of particular interest to anyone in the children s theater field the photographic illustrations which include a number in color show various aspects of children s theatre company productions there are also musical examples from the original scores for the plays

from the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material well known literary works such as dickens s a christmas carol and hawthorne s the scarlet letter were adapted to film in the silent era as were such books as thomas dixon s jr s the klansman basis for the film birth of a nation in recent years nick hornsby s about a boy and each of helen fielding s bridget jones s diary novels were the basis for popular movies bearing the same names a guide to english language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems entries are arranged alphabetically by literary title with cross listings for films made under different titles each entry includes the original work s title author year of first publication literary prizes and a brief plot summary information on film adaptation s of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats dvd vhs is also offered

an adaptation for the stage of charles dickens classic christmas story will scrooge heed marley s advice and learn the true spirit of christmas who is the mysterious little girl sleeping in his doorway what will happen to tiny tim this play works well for a quiet read or as a stage production it has been performed in the theatre and captures the spirit of christmas as dickens intended scrooge meets marley the ghosts and gets to learn the true meaning of christmas a fun spooky and uplifting adaptation suitable for all for all ages

ebenezer scrooge is spending christmas day alone in his counting house as usual or so he thinks after decades of generally being

rather a mean old misery he's built up quite an escrow of karmic debt enter the ghost of old jacob marley our hero's former partner in skinflinting who has arranged the opportunity of a lifetime for his friend a visit from three different spirits christmas past present and future who hope to guide their nightshirted charge to a broader understanding of love true wealth and shared humanity but will scrooge resist will he decide after all to stay as he is too far gone to change or will he embrace this great gift of transformation with both hands and open his heart to life friendship and the true meaning of christmas this original adaptation is written for 5 actors

using only charles dickens extraordinary words and a chameleon ensemble of actors neil bartlett's powerful stage versions of dickens have gathered wide critical acclaim this collection includes great expectations from its opening image of little pip alone on the windswept marshes to the haunted darkness of mad miss haversham's cobweb strewn lair this adaptation takes its audience on a journey right to the heart of dickens great exploration of childhood terrors and hopes and of adult dreams and regrets this version was recently directed by bartlett himself to great acclaim at the bristol old vic a christmas carol dickens's story of solitary miser ebenezer scrooge who is taught the true meaning of christmas by a series of ghostly visitors has proved one of his most well loved works and has profoundly influenced our attitude towards the season oliver twist bartlett's powerful version of oliver twist brings the dark underbelly of nineteenth century london back to bold theatrical life the unforgettable characters inhabit a world filled with images of danger and fear innocence and hope a world seen through the eyes of an astonished child between them these adaptations have had over a hundred productions they have been widely performed by schools universities and community theatre groups throughout the english speaking world and theatres that have produced them include london's lyric hammersmith the bristol old vic the southwark playhouse the glasgow citizens the american repertory theatre in boston and the la jolla playhouse usa

famous the world over the often bizarre and ultimately heart warming story of scrooge bob cratchit tiny tim and the others needs no detailing here mr horovitz's adaptation follows the dickens original scrupulously but in bringing it to life on the stage adds elements of inventiveness and brilliant theatricality that enhance and strengthen its timeless virtues the end result is a theatre piece

of unique eloquence which will delight audiences of all ages and draw forth the best efforts of all engaged in its presentation

this is a complete revision of the author's 1993 McFarland book television specials that not only updates entries contained within that edition but adds numerous programs not previously covered including beauty pageants parades awards programs Broadway and opera adaptations musicals produced especially for television holiday specials e.g. Christmas and New Year's Eve the early 1936 1947 experimental specials honors specials in short this is a reference work to 5 336 programs the most complete source for television specials ever published

Gianakos has done for television what Roget did for the thesaurus and Bartlett did for familiar quotations he has codified the industry brought order out of chaos made sense of what for decades was insensible he is a pioneer and his works will have a significant effect for generations from the introduction by Allan Kalmus for more than a decade Gianakos truly comprehensive chronicles of American television have been considered classic references here is the long anticipated volume six while nominally covering the television seasons 1984 1986 in fact the volume's six much amplified appendixes on Pulitzer Prize fiction and plays Nobel literature laureates classical Greek drama and Shakespeare selected 19th and 20th century writers and their representative teleplays and western figures as depicted upon the small screen embrace the period through the close of 1990 the overview again blends a thorough discussion of individual series and specials with a political sociological and psychological examination of the whole range of powerful images conveyed as in past volumes a Days and Times section covers virtually all that was of dramatic import on and off the major networks and cable following are sections on series initiated previously series inaugurated during the current period series not previously chronicled and a cumulative index of series titles

In Charles Dickens's classic tale of redemption Ebenezer Scrooge is a miserly old man with no Christmas spirit all that changes after he is visited by four ghosts on Christmas Eve and shown how his past present and future are affected by his actions young readers can follow the tale of love wealth and holiday spirit in the Calico Illustrated Classics adaptation of Dickens's A Christmas Carol
