it has been said that every generation of historians seeks to rewrite what a previous generation had established as the standard interpretations of the motives and circumstances shaping the fabric of historical events it is not that the facts of history have changed no one will dispute that the battle of waterloo occurred on june 11 1815 or that the allied invasion of europe began on june 6 1944 what each new age of historians are attempting to do is to reinterpret the motives of men and the force of circumstance impacting the direction of past events based on the factual social intellectual and cultural milieu of their own generation by examining the facts of history from a new perspective today s historians hope to reveal some new truth that will not only illuminate the course of history but also validate contempo rary values and societal ideals although it is true that tackling the task of developing a new text on logistics and distribution channel management focuses less on schools of philosophical and social analysis and more on the calculus of managing sales campaigns inventory replenishment and income statements the goal of the management scientist like the historian is to merge the facts and figures of the discipline with today s organizational cultural and economic realities hopefully the result will be a new synthesis where a whole new perspective will break forth exposing new directions and opportunities

each volume includes list of members and objects of the institute except v 31 which has no list of members beginning with v 12 a list of the papers contained in preceding volumes is issued regularly with each volume

this book examines violence against women in africa and criminal justice from the perspective of african scholars practitioners and experts as a global and long standing issue violence against women is gaining public visibility across the african continent with some states announcing a national crisis warranting immediate redress at the global level the elimination of all forms of violence against all women and girls forms a key part of united nations sustainable development goal 5 gender equality split across two volumes these books present a comprehensive analysis of the latest research and theories principles and practices of criminal justice systems criminal justice accountability mechanisms and the key challenges women face in their quest for justice on the african continent this volume ii focusses on sexual violence and vulnerable women s access to justice in africa volume i focusses on legislation and its impact the limitations of criminal justice responses and the cultural and social norms regarding access to justice together they adopt a comparative approach that highlight gaps and good practices to provide a rich source of authoritative information for promoting an intra african dialogue and cross fertilization of ideas across the different criminal justice traditions in africa both volumes seek to advance discussions on eliminating violence against women in africa and speak to those interested in

criminal justice violence gender studies and african legal studies
