zo lloyd rocks her masterful storytelling is rich with insight humour and pathos she invites you to think deeply about your life to remember what is real and to make sure you give life everything youve got robert holden phd author of happiness now and shift happens zo writes with an inspiring blend of wit and wisdom i found myself at times deeply moved at others inspired and at multiple times i laughed out loud i found the book to be a hugely refreshing read everyone should read it dr david r hamilton phd scientist speaker and bestselling hay house author this biography presents a modern day true slice of life in a village from the perspective of a district nurse come and meet the characters only a village can provide theres dick the retired grave digger whose favourite place to visit is his beloved graveyard to the opinionated prejudiced elderly margaret who serves traditional afternoon tea in the drawing room whilst having her leg ulcer dressed and ninety year old kenny whose over amorous attempts of intimacy are conducted in his rhubarb patch there is never a dull moment in this wonderful rural oasis with the relationships and characters going on a rollercoaster of emotions as their lives mingle with ours

every golfer dreams of making a pilgrimage to the british isles and it sometimes seems as though every golfer is in fact making that pilgrimage especially when you re trying to book a tee time the legendary courses of scotland and ireland are magnificent shrines but their fame has obscured the greatness of the golf to be found all across the landscape of england and wales from the heathland in the north and center to the linksland on the coasts england and wales present an extraordinary variety of great golf experiences in all courses great and small james w finegan treats the reader to a countries wide survey of these golfing delights some famous like the open championship venues of royal birkdale royal lytham st annes and royal st george s some well known like sunningdale wentworth and the belfry and some gems that have long been hidden in plain sight like the addington in suburban london or southport ainsdale not ten minutes from royal birkdale there are as many outstanding courses in england and wales as there are in scotland and ireland combined a shocking fact that is easily explained while scotland has 5 2 million people and 550 golf courses and ireland has 3 5 million people and 400 courses england and wales have 50 million people and more than 2 000 courses finegan provides a charming guide to the courses and the towns the inns and the eateries to be found along the way he highlights the best of the not quite four thousand holes in blackburn lancashire gives advice about lunch after your round at sandwich raises a cup of grog at gog magog and tackles the

playing and pronouncing problems posed by pwillheli he gives full due to the best known places such as rye wentworth hoylake and the royals but he also declares such lesser known treasures as st enodoc silloth on solway southerndown and pennard to be every bit as worthy of your time and attention his books on the courses of scotland and ireland blasted heaths and blessed greens and emerald fairways and foam flecked seas have become invaluable companions to thousands of travelers all courses great and small is an irresistible and even more essential addition to the touring golfer s shelf and suitcase

even though mammals can be found almost everywhere on earth they make up only a small percentage of animal species even so the diversity among mammals is staggering this volume explains mammals similarities and differences from one another their anatomy and behaviors and more charts and anatomical illustrations work together with clear text to teach important life science concepts

many of the papers in this volume were first presented at the third international great apes of the world conference held july 3 6 1998 in kuching sarawak malaysia the editors of this volume the first in a two volume series are world renowned having dedicated most of their lives to the study of great apes the world s premiere primatologists ethologists and anthropologists present the most recent research on both captive and free ranging african great apes these scientists through deep personal commitment and sacrifice have expanded their knowledge of chimpanzees bonobos and gorillas with forests disappearing many of these studies will never be duplicated this volume and all in the developments in primatology book series aim to broaden and deepen the understanding of this valuable cause

all teachers great and small tells the true story of andy s first year at cragthwaite primary school how he bravely negotiated the vagaries of the local dialect made disastrous bids to provide a family home naively and hilariously tried out new fangled ideas in a school stuck in a 1950s time warp and ultimately discovered a little part of england he was proud to call home warm touching and very funny all teachers great and small transports you to a time that may be gone but has never been forgotten all teachers wise and wonderful a year on from the end of all teachers great and small barbara and andy seed are settled into their dales village but at school trouble arrives for andy in the form of nine year old sheena after two years in the job andy seed returns to cragthwaite brimming with confidence and looking forward to a year that is bound to bring its own rewards as well as its share of mishaps and misadventures but even he didn t anticipate exploding piggy banks bottle rocket missiles and actually deafening dracula at home andy and barbara are enjoying life with little tom and are

expecting again meanwhile a new friendship is formed with hill farmer adam proves both an inspiration and a confidante for andy and through him he begins to see the light with troubled sheena the second in andy s trilogy about life as a yorkshire dales teacher this is as warm witty and refreshing as the first full of colourful anecdotes from village and school life andy seed is beginning his fifth year teaching at cragthwaite primary in the yorkshire dales and as always a new term is full of surprises all teachers bright and beautiful these take the form of a beautiful but not terribly bright student on placement from the local teacher training college and a particularly pushy and problematic parent with a fine line in complaining it looks like andy s pupils are the least of his problems at home in applesett things aren t all rosy either barbara is forced to take a job as a postie to help pay the mortgage which means finding someone to look after tom and reuben when two old friends move into the village it looks like the problem has been solved but it soon transpires that rural life is not for everyone as always the book is peppered with the hilarious and heartwarming incidents that a life living and working with children inevitably contains

the council of nicaea in 325 ad marked the beginning of a new era in christianity for the first time doctrines were organized into a single creed the nicene and post nicene fathers did most of their writing during and after this important event in church history unlike the previous era of christian writing the nicene and post nicene era is dominated by a few very important and prolific writers in volume iv of the 14 volume collected writings of the nicenes and post nicenes first published between 1886 and 1889 readers will find augustines writings defending the catholic church against the manichaeans and the donatists manichaeism was a religion developed in persia by the prophet mani according to this religion creation has two parts darkness and light light is god and has ten attributes opposing this and coeternal with it is darkness and its five attributes saint augustine was originally a manichaean so his defense of christianity against this religion comes from a deep understanding of its nature donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in christianity in opposing these men augustine attempted to mend the rift those with an interest in ancient religions will find augustines writings on manichaeism one of the most important historical records of that religions practices
