national security a topic routinely discussed behind closed doors by washington s political scientists and policy makers is believed to be an insider s game all too often this highly specialized knowledge is assumed to place issues beyond the grasp and interest of the american public author d robert worley disagrees the u s national security system designed after world war ii and institutionalized through a decades long power conflict with the soviet union is inadequate for the needs of the twenty first century and while a general consensus has emerged that the system must be transformed a clear and direct route for a new national security strategy proves elusive furnishing the tools to assist in future national security reforms orchestrating the instruments of power articulates and synthesizes the concepts of america s economic political and military instruments of

power

after four decades of relative stability in national security strategy american behavior has been erratic in search of a new and sustainable role on the world stage rather than facing an ideologically driven great power alliance the new threat appears to be emanating from failed or failing states and rather than preparing to deter and if necessary defeat a military super power the united states has entered into long costly and uncertain nation building efforts that are falling out of favor with the american public facing a deep recession nation building efforts in iraq and afghanistan have exposed an imbalance in the capabilities of the departments and agencies and an inability to achieve a unity of effort a whole of government effort high level commissions recommend a reallocation of resources to achieve a new balance in the instruments of power and major reorganizations to affect a better orchestration of the instruments others are completely redefining national security traditionally threats to national security were military problems with military solutions what were considered issues of foreign policy including pandemics and environmental degradation are increasingly cast as national security matters they are not military problems with military solutions a national security strategy aligns ends ways and means finding a new alignment must take place in an environment of a deep and wide recession partisan gridlock and uncertainty about the very meaning of national security this book presents the reader with the information necessary to engage in an informed debate on national security strategy and the system that supports it

offers a complex anthology of essays respecting the notion of the witness and phenomena of witnessing in western culture since the holocaust this book presents a body of work in the field by an international collective of scholars concerned with resituating witnessing in its specifically contemporary problematic

in performing prose authors chris holcomb and m jimmie killingsworth breathe new life into traditional concepts of style drawing on numerous examples from a wide range of authors and genres holcomb and killingsworth demonstrate the use of style as a vehicle for performance a way for writers to project themselves onto the page while managing their engagement with the reader by addressing style and rhetoric not as an editorial afterthought but as a means of social interaction they equip students with the vocabulary and tools to analyze the styles of others in fresh ways as well as create their own whereas most writing texts focus exclusively on analysis or techniques to improve writing holcomb and killingsworth blend these two schools of thought to provide a singular process of thinking about writing they discuss not only the benefits of conventional methods but also the use of deviation from tradition the strategies authors use to vary their style and the use of such vehicles as images tropes and schemes the goal of the authors is to provide writers with stylistic footing an understanding of the ways writers use style to orchestrate their relationships with readers subject matter and rhetorical situations packed with useful tips and insights this comprehensive volume investigates every aspect of style and its use to present an indispensable resource for both students and scholars performing prose moves beyond customary studies to provide a refreshing and informative approach to the concepts and strategies of writing

introduces a method for test taking showing readers how to learn to let go of worries and fears calm the mind and bring one s attention to the present moment
