this book provides an up to date survey on the nature causes and patterns of family change the traditional nuclear family has been replaced by a multiplicity of other forms as widespread cohabitation high levels of divorce and union dissolution rising childlessness and far below replacement fertility have emerged to an extent never before seen theoretical perspectives on this second demographic transition are presented highlighting the dramatic changes in gender roles new methodological strategies for assessing family dynamics are presented from multistate models of marriage and divorce combined with fertility to improved techniques for combining census and survey data on the family to a new approach for disentangling age period and cohort effects while the volume emphasizes western nations insightful case studies range from analyzing family complexity in cohorts of parents and children in the uk to the impact of interpartner violence on family formation to the emergence of a gender war in south korea by providing new insights into where we are today and how we got here the book will be of value to all those interested in the contemporary family delayed fertility as a driver of

fertility decline available open access under a creative commons attribution 4 0 international license via link springer com

this book is a powerful exploration of one of the greatest questions of humanity what truly separates a world loving human from a world betraying human theists and atheists may fail to recognize this truth but only a real human can truly understand the difference through deep reflections comparisons and real life lessons this book reveals the values and vision of a world loving human truth love peace and humanity the dangers of a world betraying human lies hatred greed and destruction the role of families youth and women in shaping humanity s destiny the choice every individual must make love or hatred life or death this is not just a book it is a wake up call for humanity if we choose love we choose life if we choose hatred we choose death by king of satyug m s khalsa the king of the digital world

more members of congress have been investigated and sanctioned for ethical misconduct in the past decade and a half than in the entire previous history of the institution but individual members are probably less corrupt than they once were stricter ethics codes and closer scrutiny by the press and public have imposed standards no previous representatives have had to face dennis thompson shows how the institution itself is posing new ethical challenges how the complexity of the environment in which members work creates new occasions for corruption and invites more calls for accountability instead of the individual corruption that has long been the center of attention thompson focuses on institutional corruption which refers to conduct that under certain conditions is an acceptable part of the job of a representative members are required to solicit campaign contributions and they are expected to help constituents with their problems with government but some ways of doing these jobs give rise to institutional corruption the author moves the discussion beyond bribery extortion and simple personal gain to delve into implicit understandings ambiguous favors and political advantage thompson examines many major ethics cases of recent years among them the case of david durenberger accused of supplementing his income through book promotions the case of the keating five accused of using undue influence with the federal home loan bank board on behalf of lincoln savings and loan owner charles keating and the case of house speaker james wright accused of several offenses thompson shows why neither the electoral process nor the judicial process is sufficient and argues for stronger ethics committees and the creation of a new quasi independent body to take over some of the enforcement process he offers more than a dozen recommendations for changes in the procedures and practices of ethics in congress the book features a listing of ethics charges classified by type of corruption considered by congress from 1789 to 1992 selected by choice as an outstanding book of 1995

the book reveals the reality of life life s origin life s reason for existence is answered the personal choice for the self self creation is shown life s eternity life s indestructible nature is proven the immortality of the soul is proven the book proves god s existence unlimited power is disproven the philosophy of the book is titled the one philosophy the one philosophy

includes all opposites the middle ground between which is taken and confirmed all that is lacking of the good is exposed philosophy is the answer to knowledge of the good not religion not democracy the philosopher king is advocated the three main human objectives are put forth understanding of life s laws the creating of the good society the need to live in peace only philosophy has the answers this book marks the new human beginning it is groundbreaking the phony not so peaceful and loving the real jesus christ is exposed the destruction of jesus christ is complete the greatest human questions are answered the basis of future humanity will be the one philosophy

the seventh edition of jacobs white and ovey the european convention on human rights is a clear and concise companion to this increasingly important and extensive area of the law the authors examine each of the convention rights in turn explore the pivotal cases in each area and examine the principles that underpin the court s decisions the focus on the european convention itself rather than its implementation in any one member state makes this book essential reading for all students looking for a concise yet authoritative overview of the work of the strasbourg court online resource centre the text is accompanied by an online resource centre that features updates on cases and legislation since publication as well as links to useful websites and further reading on the european convention

this new study provides a concise accessible introduction to occupied europe it gives a clear overview of the history and historiography of resistance and collaboration it explores how these terms cannot be examined separately but are always entangled covering europe from east to west this book aims to explore the evolution of scholarly approaches to resistance and collaboration not limiting itself to any one area it looks at armed struggle daily life complicity and rescue the catholic church and official and public memory since the end of the war
