little gods big personalities this series follows little versions of the greek gods who are at a

camp to learn how to control their powers and use them properly as well as learn to get along with one another the next book in this series follows athena as the little olympians prepare for their own olympic games all the other gods brag about what competitions they'll win because of their powers artemis and apollo will surely win any bow and arrow practice aretes will win any strength competition and hermes will win any footrace but in what event can athena possibly take the gold sure she's wise but she can't match their godly powers or can she as the games begin athena has to find unconventional ways to stay in the competition will she be able to use strategy and cunning to win the olympics and show that knowledge is the ultimate power

presents the of athena greek mythology's goddess of wisdom and war detailing her creation and how she fits into the family of deities and her continued influence through popular culture today

do you love ancient greek mythology from all olympian gods is perhaps goddess athena your favorite goddess are you homeschooling about greeks gods are you planning to visit athens for holidays i can find a million reasons why you should get goddess athena ebook for you and your children goddess athena is not just a significant persona in the greek gods pantheon she is also the patron deity of athens and the goddess in the honor of which the parthenon was built allow goddess athena to guide you in an amazing mythology journey while at the same time sharing her everlasting wisdom this product was designed with huge respect and love for children but is also dedicated to all ancient greek mythology lovers you will receive a book with 44 beautifully illustrated printable pages exclusively designed for bdb in the first part of the book 21 pages you will find an introduction of goddess athena three myths related to her basic facts and figures about the parthenon brief history of the parthenon and some wisdom lessons from goddess athena in the second part of the book 19 pages your children and why not yourselves as well will get the chance to engage in entertaining and fun activities he/she can learn to write some greek words cut and paste athena's crown and bookmark and make up his/her own myths with printable goddess athena and the printable parthenon included in the book when i wrote this book i had one clear vision i wanted to invent a new way of approaching the olympian gods that would not only be fun and interactive but would also focus on the values and the lessons that each god/goddess can teach us and our children in defense of classical culture and everlasting values why not allow athena to share her wisdom zeus to remind us that only through difficulties we can become stronger and poseidon to spread the message of protecting the oceans hope you enjoy this book and decide to follow me on this journey of spreading pneuma true knowledge and high values lots of love efstathia

a spunky feminist take on the myth of athena the greek goddess of wisdom war and courage from the moment she sprung from zeus's head athena was extraordinary even though some doubted her as a young goddess athena never backed down from a fight poseidon wants to be the patron god of a nearby city well so does athena and she's going to outwit him and found athens perseus doesn't know how to defeat medusa no problem athena can give him the knowledge and shield he needs to take off her head odysseus is lost at sea seemingly doomed not anymore athena can get him home follow the goddess of wisdom through her adventures with gods and mortals discover the perils of crossing her

and see how she eventually learned to better understand and aid the human race
