the eucharist mystery of presence sacrifice and communion explores the three ends of the sacrament of sacraments god's true presence his redemptive sacrifice and spiritual nourishment through communion with him in this follow up to his groundbreaking work faith comes from what is heard lawrence feingold constructs a biblical vision of the eucharist from its prefigurement in the old testament to its fulfillment in the new and presents the eucharistic theology of the church fathers st thomas aquinas and magisterial teaching from centuries past through today the eucharist is a masterful text both challenging and spiritually rich that comprehensively examines the unspeakable mystery that is the eucharist

the eighteen papers collected in this volume fifteen of which are published in english for the first time explore the transformations of religious practices between the third and the fifth centuries in the western part of the roman empire they share an approach that privileges the study of processes and interactions and does not take for granted the categories and roles traditionally ascribed to social actors a first group of papers focuses on the sermons and letters of augustine of hippo these texts are precious evidence for balancing the clerical perspective that characterizes most of our sources and can thus shed a different light on the problem of christianization the second group collects papers that propose to shift attention from the construction of heresies to that of orthodoxy through the case study of the controversy of augustine against pelagius and julian of eclanum a last group present studies that look at the complex relation between burial and religion with a particular focus on the role played by the church in the organization of the burial of christians in late antiquity

despite an enormous amount of literature on st augustine of hippo this work provides the first examination of what he taught about the resurrection of jesus christ augustine expounded christ's resurrection in his sermons letters answer to faustus the manichean the city of god expositions of the psalms and the trinity saint augustine on the resurrection of christ teaching rhetoric and reception explores what augustine held about the centrality of christ's resurrection from the dead the agency of christ's resurrection and the nature of his risen existence leading scholar gerald o collins investigates the impact of his resurrection on others and his mediatory role as the risen high priest o collins then unpicks augustine's rhetorical justification for the resurrection of christ evidence from creation human history and the desires of all human beings this groundbreaking study illustrates the enduring significance of augustine's teaching on and apologetic for the resurrection and updates augments and corrects what augustine held

including classical modern and postmodern approaches to theological anthropology this volume covers the entire spectrum of thought on the doctrines of creation the human person as imago dei sin and grace the editors have gathered an exceptionally diverse range of voices ensuring ecumenical balance protestant roman catholic and orthodox and the inclusion of previously neglected perspectives women african american asian latinx and lgbtq the contributors revisit authors from the great tradition early church medieval and modern and discuss them alongside critical and liberationist approaches ranging from feminist decolonial and intersectional theory to critical race theory and queer performance theory this is a much needed overview of a rapidly evolving field

over the last twenty years increasing attention has been given to the interpretation of st paul in the middle ages this is one of the first

scholarly volumes to look broadly at the understanding and use of paul in medieval europe it focuses not only on the interpretation of the apostle by patristic and medieval exegetes but also on the use of his teachings by church reformers canon lawyers and spiritual teachers and his portrayal in art and vernacular literature and culture by bringing together both exegetical studies of pauline interpretation with explorations of newer themes this book provides a more complete view of the medieval paul than has previously been available contributors include csaba nemeth ian levy thomas scheck joshua papsdorf valerie heuchan ann collins lisa fagin davis james morey ken grant colt anderson franklin harkins steven cartwright and aaron canty

in beards azyms and purgatory a edward siecienski argues that seemingly minor issues the beardlessness of the latin clergy the western use of unleavened bread in the eucharist and the doctrine of purgatory played a significant role in the schism between the catholic and orthodox churches

fergus kerr op is one of the foremost catholic theologians of his generation his works are widely read by specialists and students in the uk north america and across the world his theology after wittgenstein is regarded as a seminal work in philosophical theology his after aquinas versions of thomism and twentieth century catholic theologians are two of the finest student focussed introductions to their topics currently available the essays in this collection cover the two key areas of kerr s contribution the relationship between theology and philosophy focusing particularly on thomism and twentieth century catholic thought these themes provide the volume s coherence a key strength of this volume lies in the stature of its contributors these include the canadian catholic philosopher and templeton laureate charles taylor stanley hauerwas john milbank david burrell and denys turner a number of younger contributors representing the influence of kerr over several generations are also represented

god and the book of nature develops theological views of the natural sciences in light of the recent theological turn in science and religion scholarship and the science engaged theology movement centered around the book of nature metaphor it brings together contributions by theologians natural scientists and philosophers based in europe and north america they provide an exploration of complementary and even contesting readings of the book of nature particularly in light of the vexing questions that arise around essentialism and unity in the field of science and religion taking an experimental and open ended approach the volume does not attempt to unify the readings into a single plot that defines the book of nature still less a single theology of nature but instead it represents a variety of hermeneutical stances overall the book embraces a constructive theological attitude toward the modern sciences and makes significant contributions to the research literature in science and religion

the christian spiritual life is more a journey than a destination embrace this journey so you can know and love god and fulfill your potential as a child of god

you can hear god s voice throughout your day

the essays in this volume offer readers a fresh orientation and groundbreaking analyses of the figure of Jesus in late antiquity

this volume occasions a dialogue between major authors in the field who engage in a conversation on cosmopolitanism and provinciality from a communication ethics perspective there is no consensus on what constitutes communication ethics cosmopolitanism or provinciality the task is more modest and diverse and began with contributors being asked what the bias of their work suggests or offers for understanding the theme communication ethics between cosmopolitanism and provinciality rather than responding authoritatively each essay acknowledges the contributor's own work this book offers no answers but invites a conversation that is more akin to a beginning a joining an admission that there is more than me us or my kind of people theory or wisdom the book will be an excellent resource for instructors and for upper level undergraduate and graduate courses in communication

feel guilty for having so much you can enjoy a life of material blessings without falling into materialism this book shows you how

one of the most widely adopted texts in the field philosophy the power of ideas offers a topical introduction to philosophy within an overarching historical framework the goal of the authors is to make philosophy understandable while not oversimplifying the material showing that philosophy contains powerful ideas that affect the lives of real people

in our world today many single and celibate people find themselves isolated on all sides in the secular culture with its glorification obsexual behavior celibacy is seen as restrictive a denial of one's deepest nature in religious circles for anyone but roman catholic priests being single is often seen as a temporary and unfortunate stage in life something to be stoically endured until marriage but in fact millions of people in the pews of protestant episcopal and catholic churches every week are living a single life and many are happy to stay that way whether widowed never married or divorced many believers understand their single lives not as a passing moment but as a celebratory way of life rich in its own benefits and rewards in this book annemarie kidder offers the theological basis for what so many christians experience in their own lives by examining biblical and christian scriptures early church writings from the east and west and later commentators she develops a theology of the single life applicable to both women and men protestant episcopal and catholic this book is a must read for all single christians both those who feel called to remain single and those who for whatever reason find themselves single for long periods of time book jacket

the first collection of saint augustine's varied writings on human and divine love chosen to reflect his lifelong preoccupation with *ordo amoris* the principle of rightly directed love my weight is my love saint augustine writes in the confessions he sees our ability to love as disordered by sin so that we often choose badly what and how to love only by recognizing that we are commanded to love God first can any other object of our love be properly ordered late have I loved thee draws on the riches found in augustine's sermons letters treatises and scripture commentaries as well as passages from the confessions and city of God augustine 354-430 AD was the most prolific writer of christian antiquity and the most influential theologian in church history in his first encyclical God is Love current Pope Benedict XVI

acknowledges his indebtedness to him when we read augustine today we encounter the same direct eloquent passions his original listeners experienced infused with his deep sense of human weakness and burning desire for union with god
