chapter 1 the new life in the world true living life on earth as we have it has a tremendous bearing in building the body and the mind we must therefore strive to simplify life and learn to live truly it is true living on which everything else depends even the search for the self and the overself the importance of true living cannot be over emphasized it is rightly said truth is higher than everything but higher still is true living simple living and

high thinking has ever been an ideal with the ancients and they always strove for it we in the modern age have seldom paid much thought to it though we profess it at times and pay lip homage to it though it may appear hard to achieve the highest type of life yet it is worth our while to see what it connotes the ways and means that may be conducive to attaining it and to adopting it for ourselves in whatever we do we should always place some objective before us ascertain the principles involved therein study the methods that may lead to the desired goal and finally make a periodical survey a thorough check up to find how much nearer we have come to the end in view in this connection one has of course to devote single minded attention and make an honest endeavor from day to day before one can note an appreciable improvement in his life and conduct both toward himself and toward others around him this book contain 47 chapters each chapter offers a discussion by kirpal singh on topics from attachment adversity family and marriage raising children prayer gratitude love and much more

radhasoami reality explores the emergence of a new religious tradition that is expanding rapidly across north india and throughout the world mark juergensmeyer seeks to explain why the religious logic of radhasoami which is based on the teachings of medieval hindu saints is so compelling to today s society

spiritual discourses on sant mat by kirpal singh

when our beloved master sant kirpal singh ji graced our shores with his benign presence in 1972 five manuscripts containing a categorized compilation of master s writings were given to him in philadelphia for his approval with the request that possibly some additions should be added to them from the tour in sant bani ashram some two weeks later it seemed to me that master should not read the books now but wait for the revisions and additions i went to the master to see if the books could be returned master was sitting on his bed in the beautiful house the dear ones had lovingly built for him at the ashram the five books were on his night table i found that master had already read the books i was quite surprised with his busy schedule in new york boston and at sant bani when did he find time he told me that the three books should be printed i said master there are five books master looked at me with a surprised yet playful expression and said questioningly five books let me see with that he took each of the five books one by one and started counting slowly one two three four five master looked at each book very long and hard with his full and concentrated attention i realized that master was charging each book the words of which were already charged as they came from previously printed discourses he counted them once and then recounted them slowly and carefully he shook his head and said yes there are five books adding these books will help many people later on three separate occasions

master again said three books and i said no master there are five books after two years there came the realization that the five manuscripts would best be released and printed in three volumes book i the holy path book ii diary meditation book iii new life in the world new life in god the master is always right

wheel of life describes the law of karma the law of give and take that controls life on earth mystery of death describes the death process and what happens after death both books present surat shabd yoga the way to escape transmigration and to return to god forever
