noted evangelical scholars present the best contemporary insights into the three dominant views on the origins of the synoptic gospels

three approaches to questions about the theological connection between the old and new testaments the relationship between the testaments is not as simple and straightforward as it sometimes appears when new testament authors appeal to old testament texts to support their arguments what is the relationship between their meanings and what was originally intended by their old testament forebears leading biblical scholars walter kaiser darrel bock and peter enns present their answers to questions about the use of the old testament in the new testament addressing elements such as divine and human authorial intent context of passages historical and cultural considerations the theological grounds for different interpretive methods each author applies his framework to specific texts so that readers can see how their methods work out in practice each contributor also receives a thorough critique from the other two authors three views on the new testament use of old testament

gives readers the tools they need to develop their own views on the meaning contexts and goals behind the new testament citations of the old the counterpoints series presents a comparison and critique of scholarly views on topics important to christians that are both fair minded and respectful of the biblical text each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

learn tools and techniques you can use in any biblical study and then explore the history of israel use what you learn to analyze old testament prophecies and apocalyptic writings all in preparation for comparing accounts of what jesus told his disciples on the mount of olives and for analyzing the revelation given to john round out your experience with in depth studies of end times players such as the antichrist and the 144 000 redeemed from the earth finally explore in great detail the major rapture positions and challenges presented by each ron braley s book finding the end of the world is a great resource for any serious student of god s word however it will frustrate those who look to it for easy answers to questions surrounding the books of daniel and revelation events of the end times and eschatological controversies instead the author gives the reader and student the tools to delve into the scriptures and discover the answers caution this may lead the reader to question and even jettison some previously held views of the end of times while offering historical and theological background materials to consider i believe the greatest value of this book is the study tools guides and exercises it offers each student the result is creating students of the bible who know how to read and study for themselves ron almborg jr b a th b m div ron braley lives in texas with joanne his wife of 27 years they have 4 grown children and 2 grandchildren passion for spreading the gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of finding discipleship inc please visit findingrevelation.com for free instructor materials discussion

boards and opportunities to contribute to the discipleship cause

in the source of hope john hammett crafts a detailed and accessible introduction to the discipline of eschatology

from spoken words to sacred texts is an introduction intermediate level coverage of the text of the new testament andrews begins by introducing the reader to new testament textual studies by presenting all the essential foundational details necessary to understand new testament textual criticism with andrews clear and comprehensive approach to new testament textual studies from spoken words to sacred texts will remain popular for beginning and intermediate students for decades to come this source on how the new testament came down us will become the standard book for courses in biblical studies as well as the history of christianity from spoken words to sacred texts is assured of becoming a reliable clear cut resource for generations of bible students to come the greek new testament was copied and recopied by hand for 1 500 years regardless of those scribes who had worked very hard to be faithful in their copying errors crept into the text how can we be confident that what we have today is the word of god from spoken words to sacred texts introduces its readers to new testament textual studies of the greek new testament herein the reader will find plain language as edward d andrews gives the reader an in depth view of the history of the new testament we will discover how the new testament books were transmitted the intentional and unintentional scribal errors that crept into the text for some 1 500 years of corruption by copyists followed by over 400 years of restoration work by textual scholars who gave their entire lives to give us today a restored new testament text in this book the reader will gain an appreciation for the vast work that has been carried out in preserving the text of the new testament and finding renewed confidence in its reliability andrews work on from spoken words to sacred texts was carried out with an apologetical mindset to assist christians in their defense of god s word

biblical studies magazine is committed to providing our readers with tools and methods for better bible study as well as other articles covering such areas as monthly devotional apologetics defending the faith how to study your bible bible translation process and differences christian living evangelism growing your faith history of christianity prayer life textual studies spiritual growth articles for our youth 12 25 bible difficulties apocalyptic end times bible and science and much more the beautiful thing about this magazine is the variety of interesting material in each issue
