much of the terrain in american studies has been transformed in recent years by a fundamental reconsideration of the relationship among capitalism the nation state and human migration nation and migration focuses on this disciplinary shift and offers a contemporary understanding of the

transnational circulation of migrants and immigrants in a global economy in the first section contributors evaluate issues of citizenship and state power examining the mechanisms through which immigrants are regulated restricted and disciplined by state institutions and agents the next section presents differing perspectives on transnationalism this discussion is followed by essays that address how migrants and migrant communities experience their tenuous positions the concluding section analyzes literary representations of the entwined processes of imperialism globalization and transnational migration covering a broad range of nationalities and topics the essays that make up this book suggest that there are many borders to cross in the new scholarship on nation and migration
