the 2010 report focuses on the need to make employment creation a priority in economic policy unemployment is the most pressing social and economic problem of our time not least because especially in developing countries it is closely related to poverty the fallout from the global crisis has exacerbated what were already sluggish labour markets in most countries even before the crisis erupted it also warns that a premature withdrawal of macroeconomic stimulus measures to expand demand in developed countries may trigger a deflationary spiral in the global economy with attendant slumps in growth and employment the publication draws attention to the importance of strengthening the macroeconomic policy framework to promote sustainable growth and employment creation in both developed and developing countries and makes recommendations for a reorientation of macroeconomic policies and institution building aimed at strengthening domestic demand

the 2010 edition of the oldest and most comprehensive annual review of economic and social development spanning all economies in this vast and diverse region the economic and social survey of asia and the pacific 2010 assesses the critical issues policy changes and risks that the region faces in the months ahead as it leads the world economy in recovery from a dire recession it also outlines the elements of a policy agenda for regaining the regions dynamism through inclusive and sustainable growth

in addition to the usual macroeconomic and country assessments and statistical annex with projection data this issue of the oecd economic outlook also includes special chapters on the persistence of high unemployment and drivers and vulnerabilities associated with international capital flows

oecd s periodic review of india s economy this edition includes chapters covering sustaining growth and improving living standards fiscal policy energy subsidies financial reform and education

official sqa past papers provide perfect exam preparation as well as delivering at least three years of actual past papers including the 2010 exam all papers are accompanied by examiner approved answers to show students how to write the best responses for the most marks
