minister training manual by bishop gillis and gwendolyn thomas minister training manual is about the fivefold ministry it is about understanding the operation of each ministry gift and how to operate in your calling it is also designed to help you to be effective in your calling and a training manual

the ministers and church workers should be trained well so that they can perform well and do god s assignments for them faithfully and satisfactorily many are in the ministry today without adequate training and they have either messed things up or performed by far below god s expectation from them a minister is not supposed to be a novice and he is to hold the mystery of the faith with a pure conscience the word says if you instruct the brethren in these things you will be a good minister of jesus christ nourished in the words of faith and of the good doctrine which you have carefully followed 1 tim 4 6

by divine design god expects every one of his children to end up working for him and serving him by using their god given potentials the problem with this is that many of the brethren lack the proper training and equipping necessary to render quality or reasonable service to god we must realize that not every service attracts a reward from the lord rom 12 1 there is a how to serve god it is not just enough to know what you desire to do or why you desire to do it until you know how to do it then no quality work will be done

the burden of many pastors and ministry leaders would be reduced somewhat if only they had a competent well trained and spiritually furnished work force by the leading of the holy spirit i have over a period of more than 30 years developed this quality leadership training manual for church and ministry workers i have been blessed and privileged to have conducted several training seminars and workshops for leaders in hundreds of churches across the usa europe africa and asia the subjects covered in this manual are designed to be very practical and to prepare a people who are prepared to serve their generation the aim is to equip men for real impact in ministry and to furnish the spirit soul and body ready for qualitative kingdom service more than a mere head knowledge of theology and a paper certificate in the hand this training manual is a hands on drill for excellence in everyday ministry apostle dr dayo brown

the minister s training manual is designed to prepare leaders for ministry in these last and evil days this manual was commissioned by god to raise up end time warriors for christ this manual is only to be used in conjunction with the training course conducted by kingdom ambassadors global network
