hiring an interior designer is actually an easy and worthwhile task the interior design specialist will work with you to get a feel for your interests and your design tastes for example the designer may ask you what colors you like and what type of overall look you are going for when it concerns your home you may tell the designer that you are going for modern chic or more of a country feel depending on your interests and the area in which you are living the professional will then be able to come up with a

look that is unique to your tastes so that your home reflects these things the interior designer will always shoot ideas and opinions your way before putting any of these things into the finished product they will show you a room's color scheme and the overall feel of the home before they start painting the walls this gives you a chance to tell the designer if the outcome is going to be something you will love or if you would like the interior design specialist to come up with another idea that better reflects your tastes over here in this book we'll give you some tips to learn about with contracting the right designer or contractor before jumping in for a full makeover and save you a hefty sum of your budget that can better spent elsewhere

have you ever visited someone's home watched a television programme or been on holiday in a fabulous hotel and wished your home could look like that have you looked at magazines and seen the beautiful homes of the rich and famous and would love to be able to create interiors like that almost certainly an interior designer has been involved but how do they do it could you be your own interior designer this book has been written by an award winning interior designer and gives you insight into how the professionals work and their secrets in achieving that wow factor the chapters cover all the main areas of interior design with photographic examples and design tips summaries to remind you of the key points this book will inspire and guide you through any size of interior design task with useful references where further information is required whether you are a gifted amateur or a complete novice this book will help and inspire you
