written by a team of experienced teachers and researchers in peace studies this book assesses the field of peace and conflict research from its origins to the present day it introduces influential concepts and theories and examines the processes and dynamics of peacebuilding using case studies from around the globe the book discusses a range of key topics in peace studies such as the meanings of peace the causes of violent political conflict peace processes and peace agreements international peace and security peace activism and the role of civil society human rights transitional justice and reconciliation asylum migration and borders gender war and peace sustainable development and peace religion conflict and peace arts sport and peace and peace education the book will be of interest to scholars and students in peace studies international relations security studies war and conflict studies conflict transformation as well as anyone interested in the research and practice of peace

a contemporary exploration of peace and conflict studies that is both broad and critical

praise for the handbook of conflict resolution this handbook is a classic it helps connect the research of academia to the practical realities of peacemaking and peacebuilding like no other it is both comprehensive and deeply informed on topics vital to the field like power gender cooperation emotion and trust it now sits prominently on my bookshelf leymah gbowee nobel peace prize laureate the handbook of conflict resolution offers an astonishing array of insightful articles on theory and practice by leading scholars and practitioners students professors and professionals alike can learn a great deal from studying this handbook william ury director global negotiation project harvard university coauthor getting to yes and author the third side morton deutsch peter coleman and eric marcus put together a handbook that will be helpful to many i hope the book will reach well beyond north america to contribute to the growing worldwide interest in the constructive resolution of conflict this book offers instructive ways to make this commitment a reality george j mitchell former majority leader of the united states senate former chairman of the peace negotiations in northern ireland and the international fact finding committee on violence in the middle east chairman of the board walt disney company senior fellow at the school of international and public affairs columbia university let s be honest this book is just too big to carry around in your hand but that s because it is loaded with the most critical essays linking the theory and practice of conflict resolution the handbook of conflict resolution is heavy on content and should be a well referenced resource on the desk of every mediator as it is on mine johnston barkat assistant secretary general ombudsman and mediation services united nations

peace and conflict is a biennial publication that provides cutting edge data and analysis concerning domestic and international conflicts and corresponding peacebuilding activities the book include forecasts of risks of political and social instability as well as trends and patterns in conflict the 2014 edition focusses on the micro level in the study of conflict and peacebuilding such as social relationships below the level of the nation state with attention to key topics such as ethnicity climate change foreign aid and sexual violence peace and conflict is a large format full color resource with numerous graphs tables maps and appendices dedicated to the visual and summary presentation of information crisp narratives are highlighted with pull quote extracts emphasizing major findings

as communication and leadership skills are both essential for personal and organizational success new approaches and management styles are continuously being sought emerging technologies automation opportunities and a diverse workforce are just a few of the challenges business professionals must be prepared for in today's workplace environment the handbook of research on strategic communication leadership and conflict management in modern organizations provides emerging research exploring the theoretical and practical aspects of managing and solving conflicts and introduces updated approaches for refining communication and leadership skills featuring coverage on a broad range of topics such as emotional intelligence organizational crises and virtual team management this book is ideally designed for professionals leaders managers and human resource specialists seeking current research on developing the skills and consciousness needed to effectively communicate negotiate and collaborate in diverse organizations

politics and conflict in governance and planning offers a critical evaluation of manifold ways in which the political dimension is reflected in contemporary planning and governance while the theoretical debates on post politics and the wider frame of post foundational political theory provide substantive explanations for the crisis in planning and governance still there is a need for a better understanding of how the political is manifested in the planning contents shaped by institutional arrangements and played out in the planning processes this book undertakes a reassessment of the changing role of the political in contemporary planning and governance employing a wide range of empirical research conducted in several regions of the world it draws a more complex and heterogeneous picture of the context specific depoliticisation and repoliticisation processes taking place in local and regional planning and governance it shows not only the domination of market forces and the consequent suppression of the political but also how political conflicts and struggles are defined tackled and transformed in view of the multifaceted rules and constraints recently imposed to local and regional planning switching the focus to how strategies and forms of depoliticised governance can be repoliticised through renewed planning mechanisms and socio political mobilisation politics and conflict in governance and planning is a critical and much needed contribution to the planning literature and its incorporation of the post politics and post democracy debate

the first comprehensive account of the linkage between natural resources and political and social conflict in africa

recent research shows that between 25-85% of conflict disputants referred to mediation choose not to participate i.e. they resist wanting to meet face to face in the field of conflict resolution conflict coaching is the only process that has emerged which allows resolution methods to work on a one-on-one basis conflict coaching conflict management strategies and skills for the individual defines this growing area of conflict resolution and distinguishes conflict coaching as a stand-alone resolution technique in a service society where human relationships are central to our professional as well as personal lives individuals value one-on-one attention to obtain custom solutions for handling important interpersonal communication rooted in research and theory the text is organized into three sections introducing conflict coaching conducting conflict coaching and integrating conflict coaching and offers a practical model for coaching it is a useful volume for students

and practitioners in a range of academic disciplines including communication alternative dispute resolution conflict resolution business education law psychology sociology and social work the cd rom accompanying the book provides numerous resources for instructors coaches and other interested readers including worksheets for techniques and approaches presented in the chapters feedback forms for clients and their organizations sample syllabi learning objectives paper assignments powerpoints additional case studies and readings and suggested hyperlinks to relevant sites in conflict coaching tricia s jones and ross brinkert have made a timely contribution to the advancement of the field of conflict analysis and dispute resolution they simultaneously present a clear vision of the role of a conflict coach as well as a persuasive argument for a new and expanded mind set on who it is we say we are and what it is we say we do the book makes credible arguments about the need for the conflict coach and then clearly blows open a much needed area of practice that has been unnecessarily restrained by outdated and untestable notions the authors accomplish this by combining first rate scholarship with an easy to read guide on the practice of conflict coaching to create an evolutionary path within the field from this book expect to see a flurry of other scholars and practitioners follow their lead in both print and practice brian polkinghorn ph d distinguished professor and director conflict analysis and dispute resolution wilson elkins professor university system of maryland executive director center for conflict resolution salisbury university conflict coaching is a book that should be in every corporate library and in every chief human resource officer s desk so others can see it moreover this book should be provided for every young high potential corporate manager and be required reading in business school executive education programs frank p brennan je former chief of staff to the postmaster general of the united states jones and brinkert offer example case studies illustrating the subject of each chapter scholarly research throughout a wonderfully approachable text and a companion cd of tools that makes a perfect addition to any ombudsperson s library not only is this a terrific resource for us ltcos but also for organizational ombuds and other adr professionals and practitioners seeking to clarify the whats and hows of empowering those we serve to better respond to the conflicts they face drew strayer ltco and nalltco s ohio state coordinator
