the importance of international maritime labour law both as a component of international maritime
law and in socio political and economic terms has been recognised by the imo international
maritime law institute for a number of years indeed the institute has annually organised a course
on maritime labour law with the participation of inter alia the international maritime
organization the international labour organization the international transport workers federation
and the german shipowners association it was therefore a great pleasure when the authors invited
me to introduce their forthcoming monograph on maritime work law fundamentals responsible s
powners reliable seafarers as the title suggests a fundamental challenge of this branch of
international maritime law is to achieve a balance between the interests of the two main
stakeholders institutionally the effort to achieve this balance dates back a number of decades
with its genesis mainly found in the work of the international labour organization it has to be
said that whilst this effort achieved great progress it has led to a haphazard plethora of legal
instruments

this third edition of pensions at a glance updates in depth information on the key features of
mandatory pension systems both public and private in the 30 oecd countries including projections
of retirement income for today s workers
