Jack Eller's book brings together the widest range of material on violence as a modern and international cultural problem. It combines comprehensive theoretical discussion from multiple disciplines including anthropology, sociology, psychology, and biology with rich empirical description and analysis in a global approach. Violence, if not more prevalent, is attracting more attention in academic arenas as well as the public arena. It has become a central feature of the 21st century because understanding violence requires comparisons to nonviolence. Eller examines and contrasts a myriad of violent and nonviolent societies.
