this read together book helps children understand just how special each person is no matter the color size or shape of that child the miracle of life is about how a child comes to be a special person and about how each of us first began a special flap on

each page can be lifted for more technical information this is the story of a miracle it is the miracle of life

who are you like this is a genuine question that every person with a pulse has pondered at some point in their life and within these short words of poetic artistry i hope to get you thinking some words and emotions are significantly so real to many they may lead you to cry or vent i wrote these words bearing in mind that our stories are not over if you have breath in your lungs a pulse then you must keep going my heart behind this is for every soul that picks this up and flicks through the pages to reflect and remember that you have a greater purpose on earth that just where you are your thoughts and words have power

if you are here reading this you have a desire to explore how to heal from within to truly heal one must go within and review energetic vibrations from the present and the past that are holding you back from living your best life this book mingles insightful messages that your soul understands and is intended to gift all those reading each chapter and verse the knowledge of the energetic roots to where bodily suffering has begun a reference library pact full of common disease states and the energy that triggers less than optimal states in bodily form this book is gifted at this time to shift one into the new paradigm free from the disillusionment of your pasts shifting you into new ways of thinking there is much to energy that is yet to be discovered and some new insights lay within these pages sarah massiah presents a wholly original guide to self healing healing from within and the golden keys of melchizedek is a journey through the body and soul unlike any other readers of all spiritual backgrounds at different stages of their self healing journey will not want to miss this stunning follow up to an award winning book the cosmos ascension and the golden keys from melchizedek

the book reveals the reality of life life s origin life s reason for existence is answered the personal choice for the self self creation is shown life s eternity life s indestructible nature is proven the immortality of the soul is proven the book proves god s existence unlimited power is disproven the philosophy of the book is titled the one philosophy the one philosophy includes all opposites the middle ground between which is taken and confirmed all that is lacking of the good is exposed philosophy is the answer to knowledge of the good not religion not democracy the philosopher king is advocated the three main human objectives are put forth understanding of life s laws the creating of the good society the need to live in peace only philosophy has the answers this book marks the new human beginning it is groundbreaking the phony not so peaceful and loving the real jesus christ is exposed the destruction of jesus christ is complete the greatest human questions are

answered the basis of future humanity will be the one philosophy

modernity between wagner and nietzsche analyzes the operas and writings of wagner in order to prove that the ideas on which they are based contradict and falsify the values that are fundamental to modernity this book also analyzes the ideas that are central to the philosophy of nietzsche demonstrating that the values on the basis of which he breaks with wagner and repudiates their common mentor schopenhauer are those fundamental to modernity brayton polka makes use of the critical distinction that kierkegaard draws between christianity and christendom christianity represents what nietzsche calls the faith that is presupposed in unconditionally willing the truth in saying yes to life christendom in contrast represents the bad faith of nihilism in saying no to life polka then shows that wagner in following schopenhauer represents christendom with the demonstration in his operas that life is nothing but death and death is nothing but life in other words the purpose of the will for wagner is to annihilate the will since it is only in and through death that human beings are liberated from life as willfully sinful nietzsche in contrast is consistent with the biblical concept that existence is created from nothing from nothing that is not made in the image of god that any claim that the will can will not to will is contradictory and hence false for not to will is in truth still to will nothing there is then nietzsche shows no escape from the will either human beings will the truth in saying yes to life as created from nothing or in truly willing nothing they say no to life in worshipping the god of christendom who is dead
