opening the way for a reexamination of matthew arnold s unique contributions to ethical criticism james walter caufield emphasizes the central role of philosophical pessimism in arnold s master tropes of culture and conduct caufield uses arnold s ethics as a lens through which to view key literary and cultural movements of the past 150 years demonstrating that arnoldian conduct is grounded in a victorian ethic of renouncement a form of altruism that wholly informs both arnold s poetry and prose and sets him apart from the many nineteenth century public moralists arnold s thought is situated within a

cultural and philosophical context that shows the continuing relevance of renouncement to much contemporary ethical reflection from the political kenosis of giorgio agamben and the pensiero debole of gianni vattimo to the ethical criticism of wayne c booth and martha nussbaum in refocusing attention on arnold s place within the broad history of critical and social thought caufield returns the poet and critic to his proper place as a founding father of modern cultural criticism
