this brand new edition of english in mind revises and updates a  
course which has proven to be a perfect fit for classes the world  
over engaging content and a strong focus on grammar and  
vocabulary combine to make this course a hit with both teachers  
and students book jacket

module 1 part 1 workbook curriculum for beginners second edition  
learning english with laughter s teen adult series has four  
modules this workbook is part of a series of the three books  
student reader workbook and teacher s guide that comprise module  
1 part 1 it is intended for english second language beginners  
aged 13 years and older this workbook has 42 pages for 20 lessons  
it provides practice of all concepts taught in the student reader  
and includes a 6 page glossary of the 244 words of new vocabulary

there are spaces opposite each word for student's notes the students do the written work in this workbook many of the exercises and activities will be incomplete if bought without the series student reader workbook and teacher's guide the availability of this series of modules each in two parts allows schools colleges and universities to provide books for half of each module at a time this allows flexibility in administering the program throughout this workbook the students participate in writing sentence answers getting information from pictures and writing answers answering questions about a written paragraph gathering and recording information from a partner completing role plays cloze exercises using new vocabulary to complete paragraphs match the meaning exercises completing a form through oral questions and answers playing word bingo these activities and exercises provide visual auditory and kinesthetic modalities that promote learning they are important components of module 1 part 1 all answers tests and extra activities for photocopying are in the teacher's guide these books have been popular for the last decade the online version is being used in more than 70 countries of the world

one page lessons a simple approach for students and teachers positive now i can learning goal in every lesson real life language focus english for everyday life lessons colourful mix of photos and illustrated stories study and reference section wordlists audio scripts irregular verbs pronunciation chart

evolve is a six level english course that gets students speaking with confidence drawing on insights from language teaching experts and real students this level 1 cefr a1 student's book covers all skills and focuses on the most effective and efficient ways to make progress in english each of the 12 units in the book features time to speak a lesson where decision making and problem solving tasks enable speaking to thrive optional mobile phone activities help create personalized learning experiences

taking off is a four skills standards based program for low beginning adult esl students picture dictionary art pages teach life skills vocabulary in a clear and visual way the gradual pace of the course instills confidence in students as they establish a solid foundation in the basics of english student workbook includes supplementary practice for students who have basic reading and writing skills in their first language components student book workbook literacy workbook teacher's edition audiocassettes audio cd color transparencies

with this new publication we are offering the complete student package for all of module 1 the student reader and workbook for parts 1 and 2 of module 1 this enables purchasers to make a 22 savings over buying these books separately the teacher's guides are sold separately because only one is needed for each class the teacher's guides contain the tests the answers to the workbook questions and many activities that are essential to learning

these lessons this book contains 193 pages there are 40 lessons in all each lesson can take about 90 minutes but this varies greatly according to local conditions for each class at learning english with laughter we believe that students learn best when they are enjoying their lessons there are many activities that are done in small groups so that the students can practice and laugh together because everyone learning a language needs lots of support grammar is introduced incrementally and students have the opportunity to practice each new concept before moving on to the next the teacher's guide has a test following each fourth lesson and a mid term test after lesson 20 the following grammar concepts are introduced in this student reader they are then integrated and reinforced through large and small group oral activities role plays and written exercises in the workbooks english names vocabulary subject pronouns possessive adjectives negative sentences with to be contractions of to be forming the negative of to do listening understanding and oral reading informal introductions numbers 1 to 10 formal introductions negative contractions possessives reference of countries and nationalities preposition in greetings numbers to 100 spelling of singular and plural nouns contractions of auxiliary verbs with not using some and any collecting and recording information subject object and impersonal pronouns using a an and the prepositions greetings numbers to 100 english vocabulary listening and reading paragraphs neighborhood map small group questioning answering checking answers use of any days of the week using pictures for conversation role plays past tense regular past tense verbs listening to ed endings identifying past tense verbs questions using to do irregular past tense verbs negative answers past tense using to be phrases expressing time in the past present progressive tense spelling past progressive tense months of the year time phrases using at and in simple future tense clock times future tense using going to using by and on to express modes of travel
