 keine graduate institute masterstudies institut universitaire d'études du développement genf
 course coopération internationale au développement language english abstract the speech of
 former president of the united states harry s truman in 1949 for the foundation of the nato
 has often also been seen as the beginning of the whole development aid engagement in his
 clear words in addition we will provide military advice and equipment to free nations which
 will cooperate with us in the maintenance of peace and security fourth we must embark on a
 bold new program for making the benefits of our scientific advances and industrial progress
 available for the improvement and growth of underdeveloped areas although the international
 system changed dramatically old enemies vanished whereas new ones arose the issue of
 security is still and since september 9 11 will be an even more essential topic within the
 discussion of development it is to emanate that this close linkage between development and
 security has always had an impact on the behavior of the donor community and is now once
 again in the focus of a debate concerning new approaches such as the security sector
 reform ssr and a broadening of the oda definition due to the rising demand of peace and
 security in the development business

this book looks into different aspects of implementing esg into real estate contracts from a
 european perspective it covers general aspects contract type specific aspects and then
 property usage type specific aspects general topics cover legal frameworks the social and
 governance perspective based on eu sustainable finance regulations contract type specific
 questions cover different contract types the team of authors then addresses specific issues
 relating to different types of property use such as office retail logistics hospitality and data
 centres the focus of the work is on eu so that the content can provide food for thought for
 the work in different eu countries the book thus supports practitioners in compiling their
 personal toolkit for use in individual cases content terms concepts and basics of sustainability
 csr and esg what esg in real estate contracts means standards for non financial sustainability
