judith tells the story of a beautiful jewish woman who enters the tent of an invading

general gets him drunk and then slices off his head thus saving her village and
jerusalem this short novella was somewhat surprisingly included in the early christian
versions of the old testament and has played an important role in the western tradition
ever since this commentary provides a detailed analysis of the text s composition and
its meaning in its original historical context and thoroughly surveys the history of judith
scholarship lawrence m wills not only considers judith s relation to earlier biblical texts
how the author played upon previous biblical motifs and interpreted important biblical
passages but also addresses the rise of judith and other jewish novellas in the context
of ancient near eastern and greek literature as well as their relation to cross cultural folk
motifs because of the popularity of judith in art and culture this volume also addresses
the book s history of interpretation in paintings sculpture music drama and literature a
number of images of artistic depictions of judith are included and discussed in detail

performance theories and production techniques do not work with barker s plays lamb
sets barker s work against those ideas expounded by edward bond and the world of
deconstruction and postmodern thought nine of barker s drawings are also reproduced

for many the middle ages in general evokes a sense of the sinister and brings to mind
a world of fear superstition and religious fanaticism for jews it was a period marked by
persecutions pogroms and expulsions yet at the same time the middle ages was also a
time of lively cultural exchange and heightened creativity for jews in the jewish middle
ages contributors explore the ways in which the stories of biblical women including eve
sarah hagar rebekah zipporah ruth esther and judith make their way into the rich
tapestry of medieval jewish literature mystical texts and art particularly in works
emanating from ashkenazic circles contributors include carol bakhos judith r baskin
elisheva baumgarten dagmar b rner klein constanza cordoni rachel elior meret gutmann
gr n robert a harris yuval katz wilfing sheila tuller keiter katrin kogman appel gerhard
langer aurora salvatierra ossorio and felicia waldman these essays give us a glimpse
into the role women played and the authority they assumed in medieval jewish culture
beyond the rabbinic centers of palestine and babylonia

~~markus mcdowell~~ examines how the literature of the second temple period portrays women at prayer through an examination of the literary context and character of those prayers the goal of this work is a greater understanding of how women were portrayed in literary sources and an offering of some fresh insights for the study of women s religious and social roles in the ancient world the texts are analyzed and categorized within five areas social location content form occasion and gender perspective the prayers are also compared and contrasted with men s prayers in the same sources the analysis includes locating as much as possible the historical literary and cultic context of each document in which these prayers appear by examining all prayers in these texts uttered by women not just prayers of named or prominent women and then comparing them with all the prayers of men in those same texts certain patterns appear this study adds to our knowledge of women and religion in second temple judaism by primarily exploring patterns that appear among the prayers in the literature of the second temple period while there are fewer prayers by women than men in this literature the prayers of women are not portrayed as significantly different from those of men in terms of social location content form or occasion at the same time the prayers of women exhibit other patterns of language and in a minor way form and occasion that differ from the prayers of men

how do borders define political cultural and social realms influencing identity and community mind the gap borders limits and frontiers explores such questions and comprises two parts the first section compiles interdisciplinary essays from leading scholars to critique borders in our global yet divided world topics include national borders such as the northern irish border as well as conceptual and ontological borders more generally border issues are similarly key to the second part of the book which publishes for the first time the imprisonment memoir of irish politician cahir healy 1877 1970 who was a leading figure in the protest against the partition of ireland his memoir offers a first hand account of the conditions faced by healy and other border objectors who were illegally imprisoned for two years on board the argenta ship in belfast lough c 1922 1924 this book therefore goes beyond mapping border theory it addresses the real life impact of borders on those who confront them daily and is a vital read for those

interested in border studies

feminist analysis of the bible offers clues to the beginnings of gender bias in western culture in this book the essays range from feminist strategies for understanding the social world of the time of the production of the hebrew bible to interpretations of key female literary figures such as ruth sarah judith esther rachel and leah
