ethnography is a way to tap the deep undercurrents in a community through a process of gathering analyzing and sharing data fully revised and updated for this second edition ethnography as a pastoral practice has quickly become the go to textbook for those in or training for ministry who want to discover how they can use ethnography to help them hear the stories of those to

whom they minister setting forth the case for ethnography's ability to galvanize aspirations and heal communal hurt this book presents the helpful pastoral practice of ethnography in a clear step by step manner and includes many compelling case studies of transformational leadership ethnography as a pastoral practice invites us to open our eyes ears and hearts to those in our congregations

leading pastoral theologians explore a wide variety of themes related to pastoral practice pastoral theology and care critical trajectories in theory and practice offers a collection of essays by leading pastoral theologians that represent emerging trajectories in the fields of pastoral theology and care the topics explored include qualitative research and ethnography advances in neuroscience care across pluralities and intersections in religion and spiritualities the influence of neoliberal economics in socio economic vulnerabilities postcolonial theory and its implications the intersections of race and religion in caring for black women and the usefulness of intersectionality for pastoral practice each of the essays offers a richly illustrated review of a practice of pastoral care relationally and in the public domain the contributions to this volume engage seven critical directions emerging in the literature of pastoral theology in the united states and internationally among pastoral and practical theologians while coverage of these topics does not exhaust important points of activity in the field it does represent especially promising resources for theory and practice this important work offers unique coverage of new directions in the field includes contributions from an exceptional group of experts who are noted leaders in their areas of study introduces the newest perspectives on pastoral care and offers constructive proposals filled with case illustrations that make chapters pedagogically useful pastoral theology and care is essential reading for faculty seminarians and students in advanced degree programs and pastors

this is the first comprehensive treatment of the relationship between the doctrine of the trinity and pastoral care and counselling neil pembroke contends that an in depth reflection on the relational dynamics in the godhead has the capacity to radically renew pastoral practice pembroke applies the notion of relational space to care in a parish setting the life of the triune god is defined by both closeness and open space the divine persons indwell each other in love but they also provide space for the expression of particularity this principle of closeness with space is applied in three different pastoral contexts namely community life spiritual friendship and pastoral conversations the specialized ministry of pastoral counselling is the focus in the second half of the book

informing the various explorations is the principle of participation through love the divine persons participate in each other's existence through loving self communication pembroke shows how this trinitarian virtue is at the centre of three key counselling dynamics the counselling alliance empathy and mirroring

this book will fill an immediate and obvious gap the numbers of students in higher education is increasing rapidly and collectively they form a vast fragmented and transitory society diverse hedonistic largely anti church yet open to exploring life meaning the opportunities for ministry are unlimited and this very practical resource aims to equip everyone ministering among this age group it begins with an illuminating analysis of student culture and then offers practical guidance on worship prayer and mission among students the ministry of welcome and hospitality pastoral care and spiritual development prophetic engagement with current issues working effectively with interfaith colleagues and the care of college staff as well as students an all round and essential resource

the scm studyguide pastoral theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level the book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences introducing key themes in theological anthropology and pastoral practice it shapes a creative pastoral vision which is deeply rooted in a christian vision of what it means to be human and what it takes to care working with case studies the book will introduce broad frameworks of understanding of issues such as growth loss and sexuality together with critical perspectives on important aspects of practice such as language power and boundaries the book provides an

accessible overview of key concepts in pastoral theology offering key entry points for further discussion and study each chapter includes discussion questions and or reflective exercises at the end of each chapter together with a short bibliography throughout the text key summaries of learning will be indicated by boxed practice points

in caring for joy narrative theology and practice mary clark moschella offers a new account of the value of joy in caregiving vocations demonstrating how the work of caring for persons communities and the world need not be a dreary endeavor overwhelmed by crises or undermined by despair moschella presents glimpses of joy in action in the narratives of five notable figures heidi neumark henri nouwen gregory boyle pauli murray and paul farmer gleaning their wisdom for the construction of a theology of joy that embodies compassion connection justice and freedom care must be deep enough to hold human suffering and spacious enough to take in the divine goodness beauty and love this book expands the pastoral theological imagination and narrates joy full approaches to transformational care this work is a scholarly engaging and compassionate call to reconsider the significance of joyful living and joyful lives in radical pastoral theology heather walton university of glasgow president of the international academy of practical theology july 2016 based on biographies interviews and life stories mary clark moschella presents joy as a counter cultural emotion as a spiritual path and as a fruit of the spirit in her research joy and reason are not ultimately opposed jeanne stevenson moessner professor of pastoral care perkins school of theology southern methodist university july 2016 this highly readable and compelling theology of joy will inspire you to explore how joy might energize your vocation especially caregiving vocations that use narrative approaches to spiritual care and pastoral counseling i plan on using this book as a textbook in my theodicy grief death and dying and vocational courses carrie doehring professor of pastoral care and counseling iliff school of theology denver august 2016 mary moschella has given us a rare text one that is theologically rich intellectually sophisticated drenched in pastoral wisdom and beautifully written she gives us a pastoral theology attuned to the realities of diversity and sensitive to the complex challenges facing those who lives constantly interface with suffering there is simply nothing else like this book in pastoral care willie james jennings professor of systematic theology and africana studies yale university august 2016

practical theology and theological reflection are growing areas of theological studies this book aims to create a bridge between

pastoral practice and public theology

how can pastors thrive amid the demands of being preacher therapist administrator and ceo we need a contemporary pastoral rule a pattern for ministry that encourages and enables pastors to focus on what is most important in their pastoral task written by three veteran pastors this book gives examples of pastoral rules in communities throughout the church s history providing concrete advice on how pastors can develop and keep a pastoral rule today

as the church in canada faces a post christendom future the welcome and inclusion of diaspora communities offers opportunities for revitalization in 2022 j greg sinclair went on a yearlong ethnographic journey to understand the experience of hospitality at willowdale christian reformed church a sixty three year old congregation of dutch ethnic heritage in toronto canada using a pastoral cycle of experience exploration reflection and action and an ethnographic research method sinclair sought to understand and reflect on willowdale s experience of welcoming many newcomers from iran using zoom interviews and in person observation this qualitative study investigates the changing nature of one congregation in canada and the challenges and opportunities of welcoming increasing cultural and linguistic diversity willowdale s experience points to the potential of hospitality as a culture and habitus to move a congregation from an us versus them dynamic to mutuality this book is for church members seeking new modes of hospitality and presents a hopeful vision of a multicultural revitalized and faithful church in canada

a new york review books original whether you call her a coldhearted grifter or the soul of modern capitalism there s no question that aime is a killer and a more than professional one now she s set her eyes on a backwater burg where while posing as an innocent albeit drop dead gorgeous newcomer to town she means to sniff out old grudges and engineer new opportunities deftly playing different people and different interests against each other the better as always to make a killing but then something snaps the master manipulator falls prey to a pure and wayward passion aime has become the avenging an nihilism exacting the destruction of a whole society of destroyers an unholy original jean patrick manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun infatalehe mixes equal measures of farce mayhem and madness to prepare a rare literary cocktail that packs a devastating punch

all disciples of jesus christ are called to care for one another whether they have a formal role or not and exercise pastoral care by listening encouraging comforting offering practical help praying in times of crisis and in everyday life good pastoral care people feel known and loved by god and valued in the church this short yet comprehensive guide lays a biblical foundation for good pastoral care offers a theological approach to understanding people considers the particular needs of the sick children and families and those in difficult circumstances and outlines the boundaries within which all can be safe throughout examples and questions for reflection will deepen understanding and enrich practice

thomas merton 1915 1968 is considered to be one of the most important catholic american authors of the twentieth century in this book one can discover merton not only as a contemplative writer and prophet but also as a pastoral practitioner dominiek lootens is a catholic practical theologian with more than twenty years of experience as a pastoral supervisor and educator in belgium and germany using his own professional practice as a starting point he reflects in this book on the life and work of thomas merton he shows how relevant merton can be for pastoral practitioners who are active in today s global context a variety of professional topics are discussed interfaith hospital chaplaincy migration and practical theology pastoral supervision and spirituality natural contemplation and orthodox pastoral theology racism and adult education and the training of chaplains as social justice allies this book offers practical theologians and pastoral practitioners an in depth view in the life and publications of thomas merton and invites them to bring it into dialogue with their own professional practice

i would recommend this text as a basic reading resource for those with an interest in the field as well as those who practice pastoral care and counselling youth policy this is a useful book that discusses the differences and similarities if pastoral care and counselling quaker retreat group newsletter i think gordon lynch has produced an admirable introduction to this subject i believe it should become a must for those undertaking theological training and would also highly commend it to those engaged in the supervisory process gary haire accord this book focusing as it does on the ethics underpinning any pastoral care or counselling relationship as a real joy to read being well written engaging and thought provoking drawing on a rich variety of ethical dilemmas and presenting some complex ethical thinking in a disarmingly simple way gordon lynch invites us to engage more deeply with our own ethical nature we are encouraged to discover what the good life means to us and how this impacts on

pastoral encounters this book does not give us any easy ethical answers instead it invites us to reflect more deeply on our own ethical viewpoint and how this can inform our pastoral work with clients i wholeheartedly recommend this book to anyone involved in pastoral care and counselling william west senior lecturer in counselling university of manchester beautifully clearly written this is a text for those who are not experts in ethics or moral reflection it provides a lucid introduction to the field stephen pattison cardiff university this is a very user friendly book the writing is lucid the reader knows at every stage just where he is in understanding the development of the writer s thought and the material is frequently summarised it is clear that gordon lynch is an expert in this field this is a good read alan mace dynamics newsletter this book must be considered a considerable success the writing is clear and informed and could be used in any course dealing with the training of counsellors or pastoral carers the line taken is original and demonstrates how pastoral care and counselling should not simply be seen as a series of techniques professionally applied and contractually enforced william k kay reviews in religion and theology pastoral care counselling provides an accessible framework for understanding the role of the pastoral care worker and the ethical dimensions of practice central to the book is the argument that all pastoral practice is inevitably shaped by the pastoral worker s own vision of what it means to live a good life a thoughtful approach to pastoral work therefore requires pastoral carers to reflect critically about the values that shape their practice and about how the good life can be encouraged or hindered by different aspects of their pastoral encounters the book tackles practical concerns such as boundary issues and the place of friendship in caring relationships the social and institutional factors which form the context of pastoral care and what it means to act in an ethical and competent manner accessibly written and illustrated with case examples pastoral care counselling will be of interest to those already working in pastoral care and those training in theology and pastoral work

keeping faith in practice is a roman catholic reflection on practical and pastoral theology this book presents an exploration of how theology engages with the dimension of practice in the life of the church and contemporary society and culture it covers the main focal points of a catholic view of pastoral practical theology
