the association of chartered certified accountants acca is the global body for professional
accountants with over 100 years of providing world class accounting and finance
qualifications the acca has significantly raised its international profile in recent years and now
supports a bsc hons in applied accounting and an mba bpp learning media is an acca official
publisher the acca f4 global syllabus seeks to develop knowledge and skill in the
understanding of the general legal framework that is relevant to the international business
context in which accountants work of specific legal areas relating to business and of
recognition of the need to seek further legal advice when necessary the syllabus also covers
how businesses are affected by the law including the types of business that can be
established how companies are formed administered financed and closed down how
businesses trade the impact of ethics and corporate governance this examiner reviewed f4
global text takes the reader on a journey from complete novice to an accountant who has a
good understanding of the legal issues relevant to businesses in an international context it
comprehensively covers all the detail required to pass the acca s law exam and the examiner
has commented that quote this is an extremely impressive text quote bpp learning media is
the publisher of choice for many acca students and tuition providers worldwide join them and

plug into a world of expertise in acca exams

law in the study of business deals with the relationship between the field of law and the study of business the text specifically discusses the program s courses the criticisms and the different problems that have emerged the book begins by enumerating the various courses or subjects that business studies include it also talks about other programs that require the study of law the syllabus is listed and a breakdown of the program s first three years is discussed the book also lists critics of the program and discusses what the criticisms are opinions of other business professionals as well as the author s personal take on the matter are given in the same chapter the last parts of the book talk about variations in teaching law law teaching methods and the author s conclusions regarding the business study program the reference material provides excellent information for those who are interested in entering either law or business programs and for those who teach business

first published in 1996 singapore business law celebrates its tenth anniversary with the release of this new fourth edition the book has become a popular main text for business law courses in many degree and diploma programmes although primarily intended for business and accountancy students it is now used by students in other disciplines who study business law at tertiary level it also serves as a useful introduction for professionals working in the singapore commercial sector book jacket

business law is a new textbook that presents business law principles in a clear and easy to understand style the objective of a business law subject is to ensure that students acquire enough knowledge of the law of business so they can recognise and solve simple legal problems organise their affairs in order to avoid more complex or serious legal problems and appreciate the connection of legal principles within a range of commercial environments as the majority of students are required to study business law as part of either a commerce or business degree this textbook follows a functional approach to the study of business law rather than doctrinal so the principles of business law are contextualised within a business environment business students need to know more than what the law is they need to know where to find it how to read it how to use it and how it impacts on all facets of business students who use this textbook will develop a greater awareness of the law and its broad application to business and commercial environments hallmark features written in a clear accessible style by award winning law lecturer addressed to reader as business person seeks to balance legal doctrine practical perspectives law in context and critical perspectives emphasis upon material of relevance and use to business students in the 21st century organised into 12 manageable chapters corresponding with 12 teaching weeks of a typical semester making it possible to use the entire textbook and cover all relevant business law topics in appropriate depth no need to customise this textbook to suit the subject outline presents a functional rather than doctrinal approach e g instead of tort law and contract law the chapters look at causing harm and making deals activity features appear throughout requiring students to reflect research apply or revise their understanding of legal concepts revision questions appear at the end of each major chapter section and provide an opportunity for students to check their knowledge before progressing end of chapter quizzes contain multiple choice questions and are ideal for self testing over 600 terms definitions included in the end of book glossary new to this edition each chapter begins and ends with johnny and ash a framing narrative which establishes the importance and relevance of the business law concepts presented by describing a particular problem or situation this feature appears in each chapter and involves a range of scenarios between two characters johnny a restaurant owner and ash a solicitor johnny and ash begin each chapter by discussing one of more of the key issues explored within the chapter and conclude each chapter with the resolution of those issues they do so in a way which grounds these key issues in the real world demonstrating how and why these issues might arise in business practice the various

scenarios link together into a continuing storyline engaging the students interest as they progress from chapter to chapter chapter 3 exercising legal skills describes and develops important legal skills such as research reading interpretation and writing this is an important chapter not found in most introductory business law textbooks where appropriate tables diagrams flowcharts and concept maps are used to illustrate the more complex material within the text each chapter is periodically punctuated with questions which require the student to either reflect research or revise key points these questions ensure that students engage with the text actively rather than passively each section within a chapter concludes with a set of revision questions testing the student s ability to recall the key points from the section key terms used in the text are defined in the margins and in the comprehensive glossary at the end of the book throughout the text the student is referred to the many useful online resources relevant to the practice of business law in australia law in context boxes offer alternative perspectives on the law described in the main text these perspectives include the operation of the law in practice ethical perspectives the portrayal of the law in popular culture philosophical or historical perspectives on the law insights upon the law from other disciplines such as economics or social science the political context within which the law was developed and the law in a global context each chapter concludes with a set of quiz questions for students to test their own understanding of the content as well as a set of exercises where the student can apply their knowledge to the solution of particular legal problems or further explore more challenging aspects of the law about the author dr nick james graduated from the university of queensland in 1990 with bachelor degrees in law and commerce and until 1994 practised commercial and property law in brisbane and at the gold coast in 1996 nick returned to the university of queensland to teach business law and property law at the gatton campus in 1998 nick completed his master of laws and in 1999 he relocated to the new ipswich campus where he was involved with the development and delivery of business law corporations law and e commerce law courses in flexible mode in 2004 nick completed his doctoral thesis on critical legal education in 2005 he relocated to the law school at the st lucia campus and in 2009 was appointed associate professor and associate dean academic within the school nick presently teaches business law to non law students and law society to law students within the tc beirne school of law at the university of queensland he is the school chair of teaching and learning and a member of the editorial committee of the legal education review he received the uq award for excellence in teaching in 2004 and a national carrick citation for outstanding contribution to student learning in 2007 he is the author of numerous journal articles and conference papers in the areas of legal education and critical legal theory and is presently engaged in a research project investigating the teaching and assessment of legal reasoning and critical thinking skills
