study guide contains detailed chapter summaries a glossary of terms and demonstration problems and solutions

financial reporting provides an overview of a business profitability and financial condition in both short and long term a hot topic in the current market climate financial reporting and regulation explains the meaning behind the rules of financial reporting as opposed to just the implementation of these rules it contains sufficient detail on the application of standards to enable the reader to appreciate the effects of the rules and the logic behind them is described in terms of the reasoning and history behind their development this will give readers a more informed insight of the regulations than many of the practical books currently on the market

a companion volume to financial reporting and analysis by john dunn this text complements the existing book and offers practical coverage of key issues

corporate reporting is an essential and valuable communication tool between management and other stakeholders of the company there are a number of evolutionsof corporate reporting from 1960 to at present iirc 2011 financial reporting plays an important role in the corporate reporting of an entity which includes financial transactions and events of an entity for a period financial reporting provides financial information on financial performance and position to economic decision makers today many companies are operating under a group therefore preparation and usage of consolidated financial statements are increased in the business environment as well as stakeholders of a company are from varying levels of educational background and different educational background therefore they expect not only financial reporting but also financial reporting analysis especially financial statement analysis through the financial statement analysis by an experienced and professional financial statement analyzer shareholders may have better understanding rather than going through the financial statements of an entity

for over twenty five years the authors of international financial reporting and analysis have provided comprehensive insight into the intricacies of financial reporting this ninth edition has been updated throughout with an increased focus on ethics sustainability and corporate governance timely real world illustrations and activities give students a truly international perspective to successfully interpret and use ifrs standards in business this title is available with mindtap a flexible online learning solution that provides your students with all the tools they need to succeed including an interactive ereader engaging multimedia practice questions assessment materials revision aids and analytics to help you track their progress

financial reporting and analysis 1e by david guenther was written for instructors

wanting to emphasize a more conceptual framework to their intermediate accounting course financial reporting and analysis examines financial reporting through the lens of economic theory giving students a way of understanding how all the rules relate to each other and to the overall goal of financial reporting this text also provides students with how financial information is used giving students a better framework about how particular rules relate to the whole structure of financial reporting finally david guenther wrote this text to be rigorous in terms of topic coverage while at the same time avoiding much of the detail that seems to overwhelm students while reviewing you will find that we did not strip down or simplify a traditional intermediate accounting text but rather challenge students with concepts and ideas rather than details and rules

produced for units maa751 mga751 financial reporting and analysis offered by the faculty of business and law s school of accounting and finance in deakin university s postgraduate open campus program
