the search for life is one of the most active fields in space science and involves a wide variety of scientific disciplines including planetary science astronomy and astrophysics chemistry biology chemistry and geoscience in december 2016 the space studies board hosted a workshop to explore the possibility of habitable environments in the solar system and in exoplanets techniques for detecting life and the instrumentation used this publication summarizes the presentations and discussions from the workshop

feisty and fabulous love it love tracy bloom milly johnson pure joy katie fforde love this just the pick me up i needed jo thomas guaranteed to put a smile on your face debbie johnson it s laugh out loud adele parks

having been mentored by viktor e frankl the founder of logotherapy emeritus professor david guttmann authored this book so general readers may understand this approach to finding meaning in life at the point when most of us begin deeply wondering over that question at midlife and beyond especially in this day and age of multiple demands on our time and seemingly non stop obligations we too often find that it is only when the dust settles after a work day or work week or even after retirement when we begin to wonder what is the meaning of life the purpose this book is a new millennium venture into those questions and their answers using logotherapy written by a sage understudy who recalls frankl with his logotherapy as the epitome of his theory even at 80 years old wise and witty exuding an energy enthusiasm and youthful spirit that belied his years by decades aging does not diminish our power our energy and our quest for life but reshapes it with new understandings goals and needs but says guttmann we live in a technical and machine based world now in which there is a danger of losing our souls here readers find a new creative perspective on aging and a fresh spiritual outlook this book will be of interest not only to general readers especially those at midlife and beyond but also to their families friends and students or professionals in the helping professions this unique work provides knowledge to find meaning in life derived from the fields of philosophy psychology religion and gerontology with case illustrations and vignettes to give readers both intellectual pleasure and practical guidance

don t just chase your goals smash them with this empowering action filled approach
