what is needed is an overall approach to bring out the principal themes to show their connection with one another their consistency and their relationship to a central idea which is the idea of salvation through the crucified and risen christ such an approach to the work of st paul is the aim of this book intended as a study of st paul s key concepts it presents a short life of the apostle and a fairly detailed analysis of his theology

a collection of biographies of fifty people who have helped make management what it is today

the life and thought of major figures in western political thought from ancient greece to the present day the entries provide an accessible and clearly written introduction to the major ideas and schools of thought which have shaped contemporary politics including figures such as aristotle machiavelli jean jacques rousseau thomas paine mary wollstonecraft karl marx mohandas ghandi simone de beauvoir michel foucault and jurgen habermas

pitirim a sorokin 1889 1968 was one of the most original important and controversial figures in american sociology his spectacular rise from a peasant childhood in czarist russia to the olympian heights of harvard university provides an unlikely and fascinating lens for examining the history of an entire discipline and as barry johnston shows his

equally dramatic fall from favor and unexpected resurrection illuminate both sorokin's life and the tempestuous world of academic politics. an outspoken revolutionary and secretary to alexander kerensky sorokin was imprisoned and ordered executed by lenin then reprieved and exiled during the 1920s he flourished as a teacher and scholar at the university of minnesota where he published several pioneering books on the russian revolution social mobility sociological theory and rural sociology harvard president a lawrence lowell was so impressed that he recruited sorokin to chair the university's first department of sociology from 1930 to 1944 the department prospered under sorokin's leadership attracting an entire generation of young scholars who in their own right would have a profound impact on the discipline in this period sorokin published several volumes of his magnum opus social and cultural dynamics and became embroiled in a bitter battle with rival talcott parsons for control of the department parsons ultimately deposed sorokin and transformed sociology into the department of social relations sorokin nevertheless stayed on at harvard where he established the center for creative altruism but otherwise continued to work in relative obscurity finally in 1963 after years in eclipse sorokin was recognized for his accomplishments when he was elected president of the american sociological association during a long and distinguished career sorokin amassed an amazingly diverse and substantial body of work much of which set the standard for the field at the same time he broke with the conventions of sociology frequently ridiculing and taunting his less adventurous colleagues for his heresy the flamboyant sorokin was condemned and driven to the periphery of a profession anxious for legitimacy as a science as a result sorokin's ideas have been consistently ignored and misunderstood for more than a quarter century based on exhaustive research in sorokin's papers and the harvard archives as well as interviews with sorokin's surviving family members former students and colleagues this biography restores sorokin to his rightful place in the pantheon of american intellectuals

maths now is a series of eight books for classes 1 to 8 based on the ncert syllabus the series follows an activity oriented approach to make mathematics engaging for students through emphasizing connections between mathematics and day to day

experiences

contributors from philosophy and political science discuss the observation that civility civic virtue tolerance and socio cultural unity have declined while exploring the nature of civil society the conflict between individual liberty and the common good and the role of law and government policy in weaving the threads of the social fabric from publisher description
