in 1972 i felt impressed of the lord to write a book about my life and ministry he even gave me the title with god as my partner i voiced my objection in prayer by reminding him that i had only been preaching for three years and pastoring for one i had no experience in writing but all i heard in return was not now i went through life with many experiences both good and bad piling up through the years about four years ago my wife said ron why don t you write a book about your life and ministry i didn t have any good answer for her and since she is my best friend my closest confidant and my dearest prayer partner i gave it some serious thought in the following year i came in contact with three or four others who asked me the same thing in view of this i went to the lord in sincere prayer and he said now is the time the book is not really in any chronological order but goes back and forth at times as i remember things again the only way i could remember times people and names is with god as my partner i was not striving to produce any item of literary art but something that could be shared with others what god has shared with me through the years it has been an interesting journey and i look forward to continuing it when i gave the book its title it was with a sense of humility and not arrogance i am well aware of the fact that the only way i or anyone else can partner with god is by his grace realizing that it is all for his glory
