the paramedic association of canada together with the american academy of orthopaedic surgeons and jones and bartlett publishers are proud to continue dr nancy caroline s legacy by introducing emergency care in the streets canadian edition dr caroline s work transformed ems and the entire paramedic field she created the first national standard curriculum for paramedic training in the united states she also wrote the first paramedic textbook emergency care in the streets in 2007 we welcomed back emergency care in the streets with the publication of the sixth edition in the united states now this program has been rewritten and revised by canadian ems experts specifically for canadian paramedics using the national occupational competency profiles

in this revised edition knowles describes canadas immigrants and immigration policies paying special attention to the immigration and refugee protection act of 2001

includes section book reviews

report of the dominion fishery commission on the fisheries of the province of ontario 1893 issued as vol 26 no 7 supplement

for readers who intend to read this volume without reading the first some introductory remarks are in order about the scope of the work and the strategy used in all five volumes to measure the quality of life in the first chapter of volume i i reviewed the relevant recent literature on social indicators and social reporting and explained all the general difficulties involved in such work it would be redundant to repeat that discussion here but there are some fundamental points that are worth mentioning readers who find this account too brief should consult the longer discussion the basic question that will be answered in this work is this is there a difference in the quality of life in canada and the united states of america and if so in which country is it better alternatively one could put the question thus if one individual were randomly selected out of canada and another out of the united states would there be important qualitative differences and if so which one would probably be better om to simplify matters i often use the terms canadian and american as abbreviations for a randomly selected resident of canada or the united states respectively
