foreword by g h lang a study of genesis 1 to 6 plus an extended discussion of eastern religions and the occult

a verse by verse commentary on the old testament book of genesis 4 11

written in the late 19th century g h pember s earth s earliest ages is a book that might possibly be even more relevant in the 21st century in ages pember presciently observes the decline of godly fear in society that was predicted in the bible pember details seven points by which christians can discern the relentless march of prophetic events leading to the rapture of the church the great tribulation and the return of jesus christ the seven

signs as presented in the book are i a tendency to worship god as elohim that is merely as the creator and benefactor and not as jehovah the covenant god of mercy dealing with transgressors who are appointed to destruction and finding a ransom for them ii an undue prominence of the female sex and a disregard of the primal law of marriage iii a rapid progress in the mechanical arts and the consequent invention of many devices whereby the hardships of the curse were mitigated and life was rendered more easy and indulgent also a proficiency in the fine arts which captivated the minds of men and helped to induce an entire oblivion of god iv an alliance between the nominal church and the world which speedily resulted in a complete amalgamation v a vast increase of population vi the rejection of the preaching of enoch whose warnings thus became a savour of death unto the world and hardened men beyond recovery vii the appearance upon earth of beings from the principality of the air and their unlawful intercourse with the human race the christian reader will be challenged and encouraged by comparing pember s theories with the reality of today s world the reader will realize that the time is short we are to be about the lord s work as the lord is returning soon are you ready

excerpt from earth s earliest ages and their connection with modern spiritualism and theosophy n 1876 the author of the present volume published a smaller book entitled earth s earliest ages and their lessons for us in which his object was twofold he first attempted to remove some of the geological and other difficulties usually associated with the commencing chapters of genesis and then endeavoured to show that the characteristic features of the days of noah were reappearing in christendom and therefore that the days of the son of man could not be far distant for guidance in his efforts after the first of these aims he adopted the following obvious principles which if they be admitted render the interpretation easy and precise and anticipate every possible geological objection i that the first chapter of genesis equally with those which follow it is in its primary meaning

neither vision nor allegory but plain history and must therefore be accepted as a literal statement of facts about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
