faced with multiple priorities including the imperative of accelerating the global green transition development co operation providers are at risk of losing sight of a silent yet devastating crisis that has been unfolding even before the covid 19 pandemic the alarming increase of poverty and inequalities in low and middle income countries and yet not only are ending poverty and reducing inequalities at the core of their mandates both

are also essential to meeting their broader ambitions in terms of sustainable development worldwide what opportunities and risks is the climate priority posing for the fight against poverty and inequality can just green transitions reinvigorate development agendas how can international development co operation policy and finance help bringing together the latest evidence data and insights from governments academia international organisations and civil society the oecd development co operation report 2024 provides policy makers with concrete ways of delivering on their commitments to improve the lives of billions while fostering green just transitions around the world

this first edition explores the dynamics of growth jobs and inequalities it proposes ten decisive actions to promote sustainable economic and social development and to strengthen institutions in africa

carefully developed by experienced successful authors using extensive reviews and professional focus groups this highly accurate book prepares readers for calculus the streamlined writing style and abundance of problem solving material provide a pedagogically rich learning environment that emphasizes correct mathematics while avoiding unnecessary jargon

this book is intended as a text for a problem solving course at the first or second year university level as a text for enrichment classes for talented high school students or for mathematics competition training it can also be used as a source of supplementary material for any course dealing with algebraic equations or inequalities or to supplement a standard elementary number theory course there are already many excellent books on the market that can be used for a problem solving course however some are merely collections of problems from a variety of fields and lack cohesion others present problems according to topic but provide little or no theoretical background most problem books have a limited number of rather challenging problems while these problems tend to be quite beautiful they can appear forbidding and discouraging to a beginning student even with well motivated and carefully written solutions as a consequence students may decide that problem solving is only for the few high performers in their class and abandon this important part of their mathematical and indeed overall education

the book teaches the basics of solving equations and inequalities in easily understandable language one of the main topics is the solving of quadratic equations regardless of whether they already exist in normal form or have to be brought into it first the author treats the p q formula and the midnight formula as tools for this purpose in addition the book deals with linear equations and in general with the question of which manipulations one may make on an equation without changing its solutions furthermore the most important inequalities are treated and strategies for their solution are shown this springer essential is a translation of the original german 1st edition essentials gleichungen und ungleichungen by guido walz published by springer fachmedien wiesbaden gmbh part of springer nature in 2018 the translation was done with

the help of artificial intelligence machine translation by the service deepL.com a subsequent human revision was done primarily in terms of content so that the book will read stylistically differently from a conventional translation. Springer Nature works continuously to further the development of tools for the production of books and on the related technologies to support the authors.

Vols 10-11 include meteorology of England by James Glaisher as a separately paged section at the end.
