i ve self published for over ten years i ve seen the industry start take off and mature i ve seen tactics companies and people come and go however over that time a few important principles have always held true but in the morass of advice of varying quality it can be hard to separate the wheat from the chaff in 2017 i wrote the unboxed books a series of four books about how to publish sustainably and by that i mean in a manner so that you can keep doing it long term and how to use your mailing list to set up a self perpetuating sales vehicle while the strategies haven t changed many of the peripheral situations have in short we have far more and better tools but far more competition not only from other authors on the sales front but also from services that entice us to spend ever more money before we publish this book is my ultimate guide to what you need what you can try and what is likely to be a waste of your money and time over more than 500 pages i talk about the unvarnished experience of self publishing and selling books while keeping control of my catalogue and not funding anyone s private jet in advertising costs i wrote this book to pay it forward to the community i don t sell courses i don t do affiliate marketing i have no vested interest in anyone s self publishing journey except for this i want you to enjoy it

reviews i was able to get my hands of literally millions of books that i can read stacy smith i ve purchase several books on the subject and this is the one that works it s well worth the money you ll find great books for your kindle for little or no money well worth the small investment jennifer hampton i really appreciated how this book discussed websites that i could trust to get free kindle downloads blair lynwood i have saved alot of money on ebooks and i have download many ebooks a martinez from connecticut downloaded about 20 volumes very easy with the kindle so far tommy j i am amazed of the amount of excellent books that are available on the internet for free joel this book is a great resource to save money on ebook purchases pretty much a steal at this price it pays for itself after you get your first book hyun sung chung definitely recommend this to anyone that likes to do a little reading in their free time steveowashere simply done and worth every penny stacy smith i m very happy about my purchase this book is filled with good tips on how to get free kindle books there are many books about this subject on the web but this is the one that works vickki1991 this little but helpful ebook has informed me more than enough to download free kindle books samantha grant i suggest this book to people who want to explore other books and the
