it was a slow realization over many years that i had been living a divided life as a christian teaching in the public school system i had no problem teaching at a public school myself but i simultaneously refused to send my children to the same school because i didn t want them exposed to what was taught there the inconsistency was clear in the minds of others when they found out that i homeschooled my children but it took years for it to become clear to me after a decade in teaching i felt convicted to resign this book recounts the several moments and realizations that led up to my decision to leave public education

the contributions to the open access volume are comprehensive summaries of important research findings from the two comprehensive interdisciplinary longitudinal studies biks 3 18 and biks 8 18 conducted by the research unit biks educational processes development of competencies and formation of educational decisions funded by the german research foundation the aim of the book is to present selected important findings from these comprehensive longitudinal educational studies in addition the edition also aims to provide an overview of the design and measurements of the two surveys

this set of reissued books examines education in asia from a variety of different angles from the westernisation of early twentieth century chinese education to the impact of the communist revolution to education and society in korea to asian women s experiences of education this set collects some key texts by a range of original thinkers

pbs originatated with good intentions making the world better through education but according to media analyst laurence jarvik america s only taxpayer supported public broadcasting network has gone astray must reading for anyone who is interested in how the public broadcasting system was created what it achieved and where it has gone wrong david horowitz in his new book pbs behind the screen jarvik provides the first independent historical account of our nation s television network based on years of research and scores of interviews he tours readers through pbs s evolution from the early days when the network was a shining vision in the minds of educators and philanthropists

to later years when it became the focal point of a never ending sometimes ugly tug of war between opposing political camps pbs behind the screen answers the following questions does sesame street really educate what political agenda underlies pbs s hard hitting documentary programs is the real bill moyers the carefully crafted image viewers see on the screen what challenges did william f buckley jr have to overcome before firing line could be broadcast just how much did america s favorite chef julia child really know about cooking when she started out

this third edition written with two new coauthors combines 1990 census data with information from the current population survey the national health interview survey and numerous other sources even including demographic data not available in any other published source
