individuals are not racist by intent they are racist by culture heritage and education if i were to ask anyone if they were a racist they would immediately deny it as a possibility they would espouse their wonderful humanitarian acts or friends of color that would support an embracement of diversity that would make us all proud the truth i have never met a racist that knew they were racist even when educated as to what they have done they would go to their grave stating that under no circumstances should i ever consider them a racist this book is designed to tell you that it does not matter how many racists you meet in the office you can still be successful this book is designed to help you identify and cope and achieve success in those corporate environments that are not well it provides you with advice on how to swim with sharks in dark water this book will help you to use your spidey senses to trust your gut to identify when you are working on a plantation how to cope until you can leave oh by the way i need to tell you that you do not have the power at any time on any day to fix the plantation without permanently damaging your career the people who have fixed these issues have sacrificed their career possibly their livelihood to ensure that we do not experience what they did they shall always be the nameless heroes of our generation we will always be indebted to those individuals who spoke up and lost their livelihood as a result you need to understand that making a difference has a cost and those that have done this have paid dearly

what role did manhood play in early american politics in a republic of men mark e kann argues that the american founders aspired to create a republic of men but feared that disorderly men threatened its birth health and longevity kann demonstrates how hegemonic norms of manhood exemplified by the family man for instance were deployed as a means of stigmatizing unworthy men rewarding responsible men with citizenship and empowering exceptional men with positions of leadership and authority while excluding women from public life kann suggests that the founders committed themselves in theory to the democratic proposition that all men were created free and equal and could not be governed without their own consent but that they in no way believed that all men could be trusted with equal liberty equal citizenship or equal authority the founders developed a grammar of manhood to address some difficult questions about public order were america s disorderly men qualified for citizenship were they likely to recognize manly leaders consent to their authority and defer to their wisdom a republic of men compellingly analyzes the ways in which the founders used a rhetoric of manhood to stabilize american politics

studies of gender in african christianity have usually focused on women this book draws attention to men and constructions of masculinity particularly important in light of the hiv epidemic which has given rise to a critical investigation of dominant forms of masculinity these are often associated with the spread of hiv gender based violence and oppression of women against this background christian theologians and local churches in africa seek to change men and transform masculinities exploring the complexity and ambiguity of religious gender discourses in

contemporary african contexts this book critically examines the ways in which some progressive african theologians and a catholic parish and a pentecostal church in zambia work on a transformation of masculinities
