this book originally published in 1959 makes explicit the social principles which underlie the procedures and political practice of the modern democratic state the authors take the view that in the modern welfare state there are problems connected with the nature of law with concepts like rights justice equality property punishment responsibility and liberty and which modern philosophical techniques can illuminate

drawing on the rich resources of the ten volume series of the oxford handbooks of political science this one volume distillation provides a comprehensive overview of all the main branches of contemporary political science political theory political institutions political behavior comparative politics international relations political economy law and politics public policy contextual political analysis and political methodology sixty

seven of the top political scientists worldwide survey recent developments in those fields and provide penetrating introductions to exciting new fields of study following in the footsteps of the new handbook of political science edited by Robert Goodin and Hans Dieter Klingemann a decade before this Oxford handbook will become an indispensable guide to the scope and methods of political science as a whole it will serve as the reference book of record for political scientists and for those following their work for years to come

the challenge of politics introduces students to the fundamental questions of political science with a distinctive normative approach that portrays politics as a potentially humanizing enterprise authors Neal Riemer Douglas W Simon and Joseph Romance equip readers to recognize major forms of government evaluate research findings and understand how policy issues directly affect people's lives this comprehensive text balances classic and contemporary political theory with current events and empirical study the fifth edition is fully revised to reflect recent national and international developments including a new chapter on American politics and government

originally published under the title principles of politics understanding principles of politics and the state is a completely revised and updated study of applied political theory using current political society and politics as its backdrop using detailed explanations and examples this book examines the political world of democracy political theory the discipline of political science and the multiple aspects of governing from principles of operation to forms of government
