fill your performance with spontaneity and energy improvisation is an essential and invaluable technique for the actor's repertoire it asks you to think beyond a script and its memorized lines movements and facial expressions to deliver a performance filled with honesty insight nuance and verisimilitude improvisation starters revised and expanded provides more than 1 000 brand new scene scenarios that will help you depict conflict by focusing on differing beliefs motivations and needs use contrasts to show the clash of personalities and emotions creatively incorporate props and specific lines of dialogue within an improvised scene explore character relationships with

various locations take on the role of inanimate objects and animals from the classroom to the community theater group and even in business language and technology classes improvisation is the perfect tool for thinking critically communicating clearly building self confidence and developing interpersonal skills with this revised edition of improvisation starters you ll bring new vitality to the stage or set and have fun in the process

most beginning actors assume that rehearsing a play or scene involves taking home the script memorizing lines and rehearsing scenes over and over until everything timing movement facial expression is perfect but that s only partially correct one missing element in that approach is improvisation an invaluable technique that can be used in acting classes and in rehearsals for school amateur and professional productions most teachers and directors realize that value of improvisation as a regular part of their classes or rehearsals but many find it difficult to come up with fresh ideas on a daily basis the nine hundred improvisation ideas in this book should provide enough material to last for years what the book includes can be applied to many theater situations for example there are many improvisation starters for character conflicts teen parent peer relationships love relationships co workers doctor patient brother sister and more solo improvisations physical positions for one or two players lines of dialogue and reactions to environment the author also has included a section suggesting a variety of improvisations for the production of romeo and juliet

if you re already an improviser even if you re just starting out this is the book for you this book merges basic improvisation techniques with zen philosophy in order to create a new way of performing scenes and shows based on decades of work with the art form jason r chin strips away pretense and creates a simple yet elegant method of improvising longer more rich scenes and characters a powerful tool for the advanced improviser and a wonderful book for the beginner zen and the art of long form improvisation is a welcome addition to your improv library

we all want good scenes but it seems the harder we work the less likely we are to stumble towards them improvising now offers techniques tricks and secrets used by professionals to make the act of improvising easier more efficient and more enjoyable onstage you ll discover easy tools to navigate some of the more stressful parts of scene work including starting scenes discovering the character dynamic playing patterns and game of the scene heightening your own ideas mental blocks to discovery navigating

group scenes second beats and structure tips for intermediate expert improvisers this book also provides an insider's look at the business of comedy from producing your own independent improv shows to getting hired by a paying comedy theatre work less play more enjoy whatever now you're in

improvisation the guide is the bible for all teachers actors and improvisers it is a practical hands on feast of ideas exercises and scene work drama teachers at primary secondary and university levels have found this book invaluable the techniques have been used for corporate workshops drama in education and professional actor training improvisation processes ignite spontaneity develop lateral thinking encourage team work and release the potential artist in us all the results are tangible this book is the long awaited new version of the previously titled theatresports down under

theatre and performance games scenes and warm ups for coaches and players by an acclaimed educator performer and author

a complete improvisation curriculum in twenty four class length units this comprehensive resource who shows the who what when why and how of comedy improvisation main topics what is improv improvisational skills structuring strategies how to start your own improvisation team includes many games and exercises

who would have thought that participating in group improvisation could be so enlightening and rewarding peter gwin has developed the group mind at improv olympic in chicago to create a new awareness in the mind and spirit of acting students and professionals over forty improvisation games are included for developing group chemistry creation bonding dynamics energy focus and more techniques are discussed for breaking the ice agreement listening and support teamwork quick thinking and having fun the group mind the holy grail of improvisation is created by a synergy between improvisation participants it is like esp it is the feeling of being part of a greater entity a sense of excitement belonging importance that takes acting skills to a new level

improvisation games formats and instruction this book is perfect for improv groups who want to expand their collection of performance games and for students who want to play new games teachers will love the variety of drama games for their classes the games are categorized and indexed by type of game quotes performance tips recommended reading and a few long form formats are also included

101 improv games for children and adults starts with the basics of improvisational comedy giving aspiring performers the building blocks required to think on their feet a great resource for educators as well as for the professional actor or layperson the book includes rules for 101 games that cover everything from easy warm ups to over the top crowd pleasers such as fairy tales bizarre games on your toes and narrative games

in this follow up to his highly regarded book improvise scene from the inside out globally acclaimed improviser director and instructor mick napier focuses on the complexities and theories of long form improvisation this extended form of improvisation invites performers to be inspired for at least thirty minutes by a single suggestion as they push their creativity to the limit napier taps into more than 30 years of experience and distills his tools for success into practical engaging lessons the art of introductions and edits different approaches to openers pros and cons of the back line why it s okay to be funny finding the dominant energy sustaining a strong character

structured as a twelve week course this book provides techniques advice and exercises that can be done on your own or in groups with activities to complete as you go for learning faster and becoming more amazing at improvisation it draws on the author s own experience of performing and teaching improv around the world with added gems of wisdom from key experts starting with the basics of improvisation it moves on to explore areas of the craft such as rehearsals character editing form and style plus career advice including how to cope with bad gigs jealousy fear of missing out and your inner critic the improviser s way is ideal for improvisers at any level from those new to improv entirely through those familiar with shortform who are looking to extend their reach to experienced longform performers and teachers looking to refresh their approach and embrace new ideas it is also invaluable to anyone looking to discover more about this popular thrillingly creative and empowering form of performance by the end you won t just be a better improviser you ll be a better person

applause books beginning with simple sensory awareness exercises in a relaxed atmosphere and moving through pantomime and role playing to longer skits let s improvise emphasises self discovery through doing through hundreds of exercises that encourage personal and social growth you will feel free to create to transform an ordinary idea into a celebration of life to try on a variety of characters from life and literature to take creative risks to test and revise your thoughts feelings and values to lose your inhibitions and build confidence and cooperation through teamwork and

much more

the definitive collection of over 500 performance based games that should be in every improviser's collection clear easy to follow descriptions examples tips and game variations make the big book of improv games an invaluable reference tool for every improviser from beginner to expert the big book of improv games gives you complete practical descriptions of scene games quirky games non scene games guessing games singing games step out games an excellent resource for individual improvisers and improv companies the big book of improv games gives you everything you need to create season after season of unique entertaining shows sure to please audiences and improvisers alike looking for something to spice up your improv jams and practices this book is made for you too also makes a great improv nerd gift karen andy authors of the 5 elements of improv and the one minute improviser bring over 40 years of improvisational teaching and performing expertise to their writing

in this book the author examines the special nature of improvisation chase's approach to the subject is based on her conviction that we are all born with the ability to improvise but for various reasons we learn to mistrust and even deny our capability the book is directed as much to the beginner as to the professional it gives simple suggestions and open ended examples that can be expanded upon in unlimited ways improvisation focuses mainly on the piano but most of the suggestions can be explored on any instrument this book is a rich source of ideas and inspiration from back cover
