international gaap 2021 international gaap 2021 is a detailed guide to interpreting and implementing international financial reporting standards ifrs by setting ifrs in a relevant business context it provides insights on how complex practical issues should be resolved in the real world of global financial reporting this book is an essential tool for anyone applying auditing interpreting regulating studying or teaching ifrs written by ey financial reporting professionals from around the world this three volume guide to reporting under ifrs provides a global perspective on the application of ifrs the book explains complex technical accounting issues clearly by setting ifrs in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world volume 1 contains the following chapters and sections international gaap the iasb s conceptual framework presentation of financial statements and accounting policies non current assets held for sale and discontinued operations first time adoption consolidated financial statements consolidation procedures and non controlling interests separate and individual financial statements business combinations business combinations under common control investments in associates and joint ventures joint arrangements disclosure of interests in other entities fair value measurement foreign exchange hyperinflation intangible assets property plant and equipment investment property impairment of fixed assets and goodwill capitalisation of borrowing costs inventories index of extracts from financial statements for all three volumes index of standards for all three volumes index for all three volumes this book is printed on acid free paper responsibly manufactured from well managed fsc certified forests and other controlled sources this material has been prepared for general informational purposes only and is not intended to be relied upon as accounting tax legal or other professional advice please refer to your advisors for specific advice ey com igaap

international gaap 2020 is a comprehensive guide to interpreting and implementing international financial reporting standards ifrs setting ifrs in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting this book is an essential tool for anyone applying auditing

interpreting regulating studying or teaching ifrs written by financial reporting professionals from around the world this guide to reporting under ifrs provides a global perspective clearly explaining complex technical accounting issues and setting ifrs in a practical context numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world are included the 2020 edition has been fully revised and updated with information on the latest ifrs changes and current issues

focuses on a business perspective by using examples from the business world to illustrate accounting concepts

this edition recognizes the current trends in management accounting and clearly presents the basic concepts and techniques although basic concepts in management accounting have not changed dramatically the application of those concepts has been significantly influenced by a competitive world environment and significant changes in the cost accounting systems used by large companies and corporations the focus of the text remains the understanding of costs and cost behavior and the use of cost information for planning and control decisions

includes some separate vols for special sessions

known as the accountant s bible it has now been thoroughly revised and updated to reflect the latest financial reporting and corporate accounting procedures in one volume authoritative contributors from the big eight accounting firms cover all the essential topics and issues related to financial reporting with the emphasis on analysis and interpretation rather than restatements of standards and pronouncements in addition it will be more practice oriented with real world examples and illustrations and will now be supplemented annually so you ll never be out of date or out of touch with the latest procedures in the accounting field

this handbook is a reference book for the paging industry it aims to provide depth of theoretical understanding mathematics has been used sparingly and restricted to certain technical sections permitting the non mathematical reader to skip these without losing over

comprehension
