publisher description

something old something new contemporary entanglements of religion and secularity offers a fresh perspective on debates surrounding religious and secular thinking in each chapter wayne glausser focuses on a topic of contemporary relevance in which something old the sacrament of extreme unction greek rhetorical tropes scholastic theology entangles with something new psilocybin therapy for the dying the new atheism cognitive science glausser uses the term entanglement to describe his distinctive approach to the relationship between religion and secularity the concept of entanglement refers to a contentious but oddly intimate relationship in which secular ideas compete with corresponding religious convictions but neither side wins by displacing the other as traditional religious knowledge and values come into conflict with their secular counterparts the old ideas undergo stress and adaptation but the influence works in both directions whether they do so consciously or unconsciously entangled secularists engage with and sometimes borrow from older paradigms they believe they have surpassed something old something new takes an unusual approach to this popular debate and offers a new perspective in the conversation between believers and secularists this is a book that theists atheists agnostics and everyone still searching for the right label will find respectful but provocative

an index to music in selected historical anthologies of western art music is the essential reference for music history and music theory instructors for finding specific listings and details for all the pieces included in more than 140 anthologies published between 1931 and 2016 containing over 5 000 individual listings this concise book is an indispensable tool for teaching music history and theory since many anthologies exist in multiple editions this index provides instructors students and researches with the means to locate specific compositions in both print and online anthologies this book includes listings by composer and title as well as indexes of authors titles and first lines of text for music from antiquity through the

early twenty first century

this preparatory manual is a single source reference for postgraduate exam preparation intense efforts have gone in preparation of the book to make it complete in all aspects in depth coverage of every subject in the form of synopsis is the highlight of the book to enhance rapid reading quick learning facts have been framed as an effective learning tool multiple choice questions have been designed to suit both national and international competitive postgraduate entrance examinations

this nine chapter book narrates a writing centered approach to the teaching of literature and literary research as the title suggests the book also embraces a thematic approach to reading and writing about twentieth century american literature focusing on the grounds for hope in an age of despair the first five chapters explore in detail the teaching of the twentieth century american literature course at the university of pristina in kosovo where the author served as fulbright professor of american literature in the spring semester of 2012 throughout these chapters narrate students in class interactions to illustrate writing to learn strategies for teaching the literature chapter six then follows the same cohort of 22 students as they learned to ground their literary research in their own questions about american and balkans narratives of oppression and liberty of despair and hope the last three chapters document the responses of students and their professors to this american theme of liberty and hope as seen through the balkans lenses of ethnic violence and emerging republican government specifically chapter seven focuses on students participation in a blog featuring balkans literature that explores the same issues of liberty and justice examined in the american literature they have read chapter eight then celebrates student writing the fruit of the writing to learn strategies narrated in earlier chapters finally chapter nine narrates professors and students responses gathered through surveys and interviewing to questions about their country s violent past and the value of literary study in preparing citizens to shape a new republic

with advice from the experts a user friendly hands on approach and a 16 page full colour insert this book helps users better understand their pc realise its potential foresee possible problems and make the right decisions

for over a hundred years the columbia granger s index to poetry in anthologies has been the preeminent index for answers to questions about the world of poetry identifying the author of a poem or the anthologies in which it can be found when only a title first line or last line is known this latest edition a must have for libraries

brings its index up to date as of may 31 2006 this latest version features 85 000 classic and contemporary poems by 12 000 poets also included are works in translation and for the first time poetry in spanish vietnamese and french the subject organization of the poems is especially useful hundreds of new subjects have been added indexing poems on highly relevant topics such as osama bin laden the war in iraq dick cheney the internet and rosa parks as well as timeless subjects like the bill of rights unspoken love faith and inspiration our impressive team of consultants includes j d mcclatchy harvey shapiro and former poet laureate mark strand from the norton anthology of poetry 2005 edition to poetry after 9 11 and garrison keillor s good poems this new edition puts readers in touch with the best of the latest anthologies and the lasting favorites
