engine

a maintenance and repair manual for the diy mechanic

this is the story of a man a team and their life and times as well as
a complete record of all their achievements and failures it logs the
financial and personal cost of racing in the prewar and postwar
periods it tells of how the mighty car company renault became
involved with them in the late 1950s and how amedee gordini became
known throughout the world as one of the greatest engine tuners of
his time

runways and racers focuses on sports car races held at military
installations throughout america in the early 1950s it was a marriage
of convenience for the sports car club of america and the strategic
air command with both parties gaining advantages from the arrangement
the thorn in the side turned out to be a congressman whose own
aspirations exceeded his standing but who found himself in a position
to be able to influence the outcome of events

explores the design development and production of the lotus europa

very few motorcycles have carved a mark in history like the vincent v
twin from its arrival in 1946 and up to the present day on the road
in club racing in drag races or competing for land speed records it
dominated the motorcycle world leading to the famous catchphrase
coined by the factory the world s fastest standard motorcycle it was
a fact not a slogan images such as that of rollie free in swimming
trunks laying flat on his works modified black shadow and taking the

american motorcycle land speed record at bonneville in 1948 have now passed into posterity in fact the big vincent was so ahead of its time that it continued to compete successfully almost arrogantly in racing until the mid 1970s against modern bikes no other motorcycle in the world can claim this kind of achievement following the premature ending of vincent production fritz egli s 1967 egli vincent was the first chassis completely redesigned for a vincent in 21 years egli s machine inspired numerous builders for several generations and this book traces holistically the story of all those motorcycles in the broad context of the classic and modern history of the vincent understand how the flame of passion still burns brightly today
