ono examines cross cultural artistic exchange between the west and japan from the late nineteenth century to the early twentieth century studies of japonisme have been dominated by searching out relationships of influence between artworks trying to identify which specific works influenced a particular artist ono argues that a more holistic understanding of spillover effects is necessary in fully comprehending the nuances of these relationships she bases this argument on documents and works of art in the context of globalisation looking at the relationships between james mcneill whistler and others with their contemporaries in the japanese artistic and literary worlds this was a

more complex two way exchange than is often appreciated with western artists taking inspiration from to them new japanese styles while japanese artists and writers were trying to craft a modern more western influences style to reflect the modern nation of japan emerging onto the world stage after centuries of relative isolation a fascinating analysis of the role of globalisation and cultural exchange in the development of new and hybrid artforms that will be essential reading for scholars of this fascinating period in international art history

reprint of the original first published in 1876

a history of japan united states relations from the point of view of a pro american japanese scholar this work is designed to serve as an analysis of the current situation the third opening of japan to the west in the last century the two earlier openings failed when japan adopted the policy of sonno joi which means literally revere the emperor and expel the foreigners this book is written to try to forestall the very real possibility of a recurrence of sonno joi as a reaction to the current opening by appealing to both the japanese and the americans to understand japanese history and japanese sensibilities japan and the united states share many interests and goals but they suffer from a tremendous gap in mutual perceptions ibe makes an attempt here to explain the japanese and their view of the world to a non japanese audience he believes japan is not an inexplicable riddle nor a monolith japan inc he argues that since time immemorial forging unity among the many warring groups in japan has been difficult whether uniting the warlord clans of the ancient period the feudalistic domains of premodern times the political factions of the modernizing period or the private corporations or government ministries of today ibe examines the difficulties the japanese have encountered in their efforts to unify and to articulate their desires which is not well understood by non japanese this book is ideal for students scholars and the informed citizen interested in japan and japanese american relations

a survey of the two main indigenous languages of japan includes the most comprehensive study of the polysynthetic ainu language yet to appear in english as well as a comprehensive analysis of japanese linguistics

japan and china the meeting of asia s two economic giants analyzes the new and changing relationship between the two nations and the rest of the world that may shape a new economic landscape for asia in the 21st century managers and employees of multinational firms as well as students interested in international business will learn about the cultural ties between the two countries and how traditions have shaped management methods and work ethics understanding the cultures and traditions of each country will help you improve business relations with japanese or chinese firms it will also help you compete with these firms in the international business arena japan and china the meeting of asia s two economic giants is based on an extensive survey of current literature personal observations and case studies researched by the author containing first hand information on the interworkings of old and new japanese and chinese business practices this book unveils some of the myths behind japanese style management and chinese business methods in light of increased cooperation between the nations japan and china the meeting of asia s two economic giants discusses some of the barriers to business between the two countries and what effects these barriers can have individually on china japan and other nations in addition the text contains suggestions for further improvement of business relations between china and japan by examining china s current drive to learn and adapt some of the west s modern management

knowledge and technology and to re-examine ancient military strategies relating to business ways to improve working relations between Japanese managers and Chinese workers how to make Japanese style human resource management HRM understandable to other countries the effect that disappearing Japanese style management practices such as lifetime employment and seniority based promotion pay systems have on Japanese businesses societal differences that add difficulty to business relations between China and Japan featuring unique first hand accounts and insights into Japanese and Chinese business practices Japan and China the meeting of Asia's two economic giants will keep you informed of the changing world of international business as it approaches the 21st century

This book analyses the Japanese South Korean relationship from various angles including politics security economics culture and immigration in a sense the two countries are natural partners both are democratic societies they are economically strong and are the only two Asian countries that are members of the OECD both have security treaties with the USA they share security concerns when it comes to the North Korean nuclear threat as well as the rise of China which at the same time has become the largest trading partner for both Japan and South Korea also share similar values customs cultures and languages all this would make it logical for them to have a strong cooperative bilateral relationship yet this is still not the case the contributors to this book examine how the relationship is affected by the changing power relations in Northeast Asia and find a most complex situation understanding how Japan and Korea interact is central for anyone that wants to understand the politics of East Asia this volume will be of huge interest to students and scholars of Asian politics as well as those interested in political science and peace and conflict resolution more generally Marie Söderberg is professor and director of the European Institute of Japanese Studies Sweden

a response to a review of Bowes book Japanese Pottery
