the most authoritative life of mao ever written by the bestselling author of wild swans jung chang and her husband historian jon halliday based on a decade of research and on interviews with many of mao's close circle in china who have never talked before and with virtually everyone outside china who had significant dealings with him this is the most

authoritative life of mao ever written it is full of startling revelations exploding the myth of the long march and showing a completely unknown mao he was not driven by idealism or ideology his intimate and intricate relationship with stalin went back to the 1920s ultimately bringing him to power he welcomed japanese occupation of much of china and he schemed poisoned and blackmailed to get his way after mao conquered china in 1949 his secret goal was to dominate the world in chasing this dream he caused the deaths of 38 million people in the greatest famine in history in all well over 70 million chinese perished under mao s rule in peacetime combining meticulous history with the story telling style of wild swans this biography makes immediate mao s roller coaster life as he intrigued and fought every step of the way to force through his unpopular decisions mao s character and the enormity of his behaviour towards his wives mistresses and children are unveiled for the first time this is an entirely fresh look at mao in both content and approach it will astonish historians and the general reader alike this a bombshell of a book chris patten the times the first great political biography of the twenty first century spectator

the unknown history of jewish women on learning and illiteracy on slavery and liberty is a comprehensive study on the history of jewish women which discusses their absence from the jewish hebrew library of the people of the book and interprets their social condition in relation to their imposed ignorance and exclusion from public literacy the book begins with a chapter on communal education for jewish boys which was compulsory and free of charge for the first ten years in all traditional jewish communities the discussion continues with the striking absence of any communal jewish education for girls until the late nineteenth and early twentieth century and the implications of this fact for twentieth century immigration to israel 1949 1959 the following chapters discuss the social cultural and legal contexts of this reality of female illiteracy in the jewish community a community that placed a supreme value on male education the discussion focuses on the patriarchal order and the postulations rules norms sanctions and mythologies that in antiquity and the middle ages laid the religious foundations of this discriminatory reality

twenty three delightful real life stories and fifteen heart touching poems describe in graphic details the economic and sexual exploitation of poor tribal people of kalahandi by scheming moneylenders businessmen local contractors politicians and indifferent bureaucrats the stories have been originally written in english while the poems have been translated from the

original odia for his poem collection on kalahandi the author had won sahitya akademi s golden jubilee prize for poetry in 2007 once known as the rice bowl of odisha kalahandi became infamous for large scale starvation deaths in the 1980s the agrarian economy of kalahandi was devastated following a 20 year long famine starting in 1965 poor people in interior pockets died in hordes although kalahandi district as a whole remained rice surplus even during the famine decades therefore the author contends that although the famine was a natural calamity the starvation deaths were an avoidable man made disaster the stories and poems included in this book are written in a very simple language in the form of funny real life anecdotes but underneath their humorous exterior these highly symbolic stories offer in depth diagnosis as well as practical solutions to various grassroots level socio economic problems in a penetrating manner

winner of the 2010 w j m mackenzie prize for best political science book of the year 2010 the relentless rise of communism was the most momentous political development of the first half of the twentieth century no political change has been more fundamental than its demise in europe and its decline elsewhere in this hugely acclaimed book archie brown provides an indispensable history that examines the origins of the ideology its development in different countries its collapse in many states following the soviet perestroika and its current incarnations around the globe the rise and fall of communism explains how and why communists came to power how they were able in a variety of countries on different

continents to hold on to power for so long and what brought about the downfall of so many communist systems a groundbreaking work from an internationally renowned specialist this is the definitive study of the most remarkable political and human story of our times

a compelling expansive history of the relationship between china and russia from the seventeenth century to the present russia and china the largest and most populous countries in the world respectively have maintained a delicate relationship for four centuries in addition to a four thousand kilometer border they have periodically shared a common outlook on political and economic affairs but they are in essence profoundly different polities and cultures and their intermittent alliances have proven difficult and at times even volatile philip snow provides a full account of the relationship between these two global giants looking at politics religion economics and culture snow uncovers the deep roots of the two nations alignment we see the shifts in the balance of power from the wealth and strength of early qing china to the tsarist and soviet ascendancies and episodes of intense conflict followed by harmony he looks too at the experiences and opinions of ordinary people which often vastly differed from those of their governments and considers how long the countries current amicable relationship might endure

although once derided as an insignificant office the vice presidency in the last forty years has witnessed an increase in stature prominence and influence emerging from the shadows focuses on explaining variation in vice presidential influence over time with an assumption that all vice presidents in the modern era have the capacity to exercise influence this study is the first of its kind to ascertain the true nature of vice presidential influence and the consequences of changing interpersonal situational institutional and electoral dynamics on that influence using in depth interviews and archival research these four dynamics as richard m yon demonstrates provide a model by which to understand the fluidity of vice presidential influence which in turn enables more precise analysis of the vice presidencies of nelson rockefeller walter mondale george h w bush dan quayle al gore dick cheney and joe biden

an incisive examination into the pairing of psychology and situation that creates despotic leaders from the author of murderous minds not everyone can become a tyrant it requires a particular confluence of events to gain absolute control over entire nations first you must be born with the potential to develop brutal personality traits often this is a combination of narcissism psychopathy machiavellianism paranoia and an extraordinary ambition to achieve

control over others second your dangerous personality must be developed and strengthened during childhood you might suffer physical and or psychological abuse finally you must come of age when the political system of your country is unstable together these events establish a basis to rise to power one that stalin hitler mao zedong saddam hussein and muammar qaddafi all used to gain life and death control over their countrymen and women it is how the leaders of the islamic state hoped to gain such power though these men lived in different times and places and came from vastly different backgrounds many of them felt respect for each other they often seemed to recognize their shared dark personality traits and viewed them as strengths only in rare cases did they show signs of mental disorders getting inside the heads of foreign leaders and terrorists is one way governments try to understand predict and influence their actions psychological profiles can help us understand the urges of tyrants to dominate subjugate torture and slaughter tyrannical minds reveals how recognizing their psychological traits can provide insight into the motivations and actions of dangerous leaders potentially allow to us predict their behavior and even how to stop them as strongmen and authoritarian leaders around the world increase in number understanding the most extreme examples of tyrannical behavior should serve as a warning to anyone indifferent to the threats posed by political extremism

the flashing bulbs of the paparazzi the iconic names liz michael jackson jackie o jen and brad americans are obsessed with the famous and the beautifultheir lives loves break ups and breakdowns from entertainment tonight to people from primetime to the e channel our appetite for celebrity news is seemingly insatiable but in the beginning only the national enquirer went boldly where other publications feared to tread in this no holds barred account of the most infamous tabloid in america iain calder its former editor in chief tells all over the course of a career that spanned four decades calder brought the lurid newspaper to new heights dramatically raising circulation by combining his streetwise journalist background with the genius of enquirer publisher generoso pope jr calder was born in a small village in scotland left school at sixteen and rose through he ranks of the glasgow newspapers his intense work ethic ruthless tricks to throw competitors off his scent and nose for a story served him well and he was tapped to head the enquirer s london bureau at that point the lowly enquirer was a collection of gory photos of car crashes and murder victims but calder corralled the best freelance journalists in europe and started honing the formula that would transform the tabloid a unique mix of celebrity scandal hard nosed

reporting and feel good stories pope moved him to the american offices of the enquirer and the duo transformed the tabloid and in the process american journalism calder exposes the stories behind the headlines and the wickedly intrepid enquirer tactics for getting the scoops with calder at the helm the national enquirer ran the infamous shot of gary hart and donna rice and the record breaking photo of elvis in his coffin and it was the new york times that dubbed the enquirer the bible of the o j simpson trial after reporters infiltrated o j s inner circle from the contents of henry kissinger s trash and the identity of john belushi s drug dealer to princess grace s tragic death the enquirer told us what inquiring minds wanted to know as it took celebrity news from the back pages to the front pages and television screens of mainstream publications and programs calder re creates the exhilaration of being at the enquirer during its most extraordinary period and details the way he and his staff broke the biggest exclusives of the day at its core the untold story is also a love letter from calder to the glorious tabloid he helped create
