this captivating story follows the journey of twins anja and zack two young witches who are separated from their parents after a ruthless dictator named nexus takes control of the world guided by a mysterious elderly witch they set out to find the wellikans a hidden people living on a dark and secretive island with her

wisdom and support anja and zack reach the island and join forces with scientists and the wellikans to challenge nexus s formidable technological power written by zipes a prolific author and political activist since the 60s this novella reflects his belief that the world s conditions have deteriorated for many particularly the young and that fascism has crept into even the smallest corners of the globe it is a hopeful tale of resistance and defiance intended for his grandchildren and anyone who believes in standing up against oppression

the relationship between the literary imagination literary possibilities and actual reality poses a major philosophical problem in the field of the metaphysics of literature this detailed analysis of some literary masterpieces by proust kafka tolstoy dostoyevsky thomas mann virginia woolf and william faulkner demonstrates that actual reality actualizes or imitates literary pure possibilities as such these masterpieces should be treated not as romans a clef but instead as paradigm cases on whose basis we grasp and understand actual reality

in russia s cultural memory the caucasus is a potent point of reference to which many emotions images and stereotypes are attached the book gives a new reading of the development of russia s perception of its borderlands and presents a complex picture of the encounter between the russians and the indigenous population of the caucasus the study outlines the history of a region standing in between russian reveries and russian imperialism series studies on south east europe vol 19 subject history russian studies ethnology

reading and textual interpretation are ordinary human activities performed inside as well as outside academia but precisely how they function as unique sources of knowledge is not well understood in this book rené van woudenberg explores the nature of reading and how it is distinct from perception and attending to testimony which are two widely acknowledged knowledge sources after distinguishing seven accounts of interpretation van woudenberg discusses the question of whether all reading inevitably involves interpretation and shows that although reading and interpretation often go together they are distinct activities he goes on to argue that both reading and interpretation can be paths to realistically conceived truth and explains the conditions under which we are justified in believing that they do indeed lead us to the truth along the way he offers clear and novel analyses of reading meaning interpretation and interpretative knowledge

a perfect family masks the darkest of secrets in this emotional compelling novel about lies loyalty and how the past can hold us captive
