the post cold war order established by the united states is at a crossroads no longer is the liberal order and u s hegemonic power a given the challenge to nato is a concise review of the north atlantic treaty organization nato its relationship with the united states and its implications for global security despite seeing its seventieth anniversary in 2019 nato faces both external and internal threats to its continued survival this volume examines the organization s past its current regional operations and future threats facing the atlantic alliance with contributions by well known academics former central figures within nato and diplomats directly involved in nato operations in this volume michael o slobodchikoff g doug davis and brandon stewart bring together differing perspectives and orientations to provide a complete understanding of the future of the atlantic alliance

edugorilla publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources specializing in competitive exams and academic support edugorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

on march 24th 1999 president clinton announced that the united states along with nato allies had initiated air strikes against the serbian forces of slobodan milosevic in kosovo after seventy eight days of bombing milosevic agreed to withdraw his army from kosovo with no troops on the ground political and military leaders congratulated themselves on the success of operation allied force considered to be the first military victory won through the use of strategic

air power this apparent triumph motivated military and political leaders to embrace a policy of precision munitions and air strikes as the preferred choice for answering military aggression and eventually inspired a similar air campaign ten years later against muammar gadaffi s forces in libya as a wave of protests erupted into revolution clean bombs and dirty wars employing air power over kosovo and libya offers a fresh perspective on the role relevance and effectiveness of air power in contemporary warfare including an exploration of the political motivations for its use as well as a candid examination of air to ground targeting processes using recently declassified archival materials from the william j clinton presidential library along with primary evidence culled from social media posted during the arab spring author robert gregory shows that the extreme argument that air power does it alone and eliminates the necessity for boots on the ground is an artificial claim and that the popular perception forged in kosovo and carried forth in libyan operations that air power succeeded without the need for a ground contingent is illusory
