poplar tree and the book's narrator introduces readers to his tree family and guides readers to use their senses to discover ways that his tree family and the readers' family trees are alike and different. Co-authored by botanist Adrian Bambini and his wife Linda Bambini, a retired teacher combines his horticultural background with her English grammar and composition skills to write an interactive book that encourages analytical thinking beyond simple recall or observation. *Let's Talk Trees* offers facts and fun for readers of all ages as it includes tree activities, trivia questions, riddles, and a listing of national champion trees and all 50 state trees. Children, parents, and teachers alike will find *Let's Talk Trees* both educational as well as entertaining.

What if the trees had something to say? Would you stop and listen? In *The Talking Trees*, young Benny stumbles upon a hidden forest where the trees can whisper, giggle, and even sing. But more than just talk, these wise trees have stories—stories about the earth, the animals, and how important it is to care for the world we all share. As Benny learns to listen carefully, he discovers nature's incredible voice and the power of kindness, patience, and understanding. Each tree teaches Benny a unique lesson from the importance of clean rivers to the beauty of growing slowly and strong. Filled with heartwarming messages and gentle environmental themes, *The Talking Trees* is a magical journey into empathy, stewardship, and wonder. Perfect for little nature lovers and big dreamers.
