chinese and english are the world s largest languages and the number of interpreter mediated interactions involving chinese and english speakers has increased exponentially over the last 30 years this book presents and describes examples of chinese english interpreting across a large number of settings conference interpreting diplomatic interpreting media interpreting business interpreting police legal

and court interpreting and healthcare interpreting interpreters working in these fields face not only the challenge of providing optimal interlingual transfer but also need to fully understand the discourse pragmatic conventions of both Chinese and English speakers. This innovative book provides an overview of established and contemporary frameworks of intercultural communication and applies these to a large sample of Chinese-English interpreted interactions. The authors introduce the interculturality framework as a descriptive tool to identify and describe the strategies and footings that interpreters adopt. This book contains findings from detailed data with Chinese-English interpreters as experts not only in interlingual exchange but cross-linguistic and intercultural communication as such. It is a detailed and authoritative guide for trainees as well as practising Chinese-English interpreters.

As education becomes more globally accessible, the need increases for comprehensive education options with a special focus on bilingual and intercultural education. The normalization of diversity and the acclimation of the students to various cultures and types of people are essential for success in the current world. The handbook of research on bilingual and intercultural education is an essential scholarly publication that provides comprehensive empirical research on bilingual and intercultural processes in an educational context featuring a range of topics such as education policy, language resources and teacher education. This book is ideal for teachers, instructional designers, curriculum developers, language learning professionals, principals, administrators, academicians, policymakers, researchers and students.

Section 1: Foundations of language and intercultural communication
Section 2: Core themes and issues: verbal and nonverbal communications and culture
Section 3: Theory into practice: towards intercultural communicative competence and citizenship
