a communications specialist discusses communication in the local church advertising talking with the media communicating with members and utilizing technology includes helpful forms checklists and examples from cutting edge churches

churches thrive on communication they are stifled by conflict renowned christian educator kenneth o gangel joins his colleague samuel l canine to bring good news to the church communication skills can be learned and conflict can be managed the church need no longer hide conflict nor excuse itself for poor communication but can instead acknowledge where it has problems and seek transformation the authors offer scriptural strategies for overcoming conflict and for building trust in relationships even relationships among deacons or between deacons and pastors drawing from recent studies in the social sciences gangel and canine show the church how to manage strife and foster dialogue so that the church can flourish chapter titles include learning to listen power in conflict management negotiation and bargaining in conflict management organizational causes of conflict coalitions in conflict management managing conflict destructively or constructively stress cause and cure and the workaholic syndrome this book is a valuable resource for training church leaders it is also an important resource for those who are already pastors for whom the issues are daily realities and not just academic theory through its use in churches and seminaries the book is designed to lead god s church through its conflicts to renewed vigor in ministry and growth

the business of the christian church is communication its job is to spread a good message the gospel of jesus christ the word of god the church that doesn t know how to communicate with its members and with its environment is a doomed church it is therefore necessary that christian churches have to understand how communication works and how effective communication has to take place this book deals with the following aspects of communication in the church the pastoral conversation marketing the church in the world and the art of composing an effective sermon it is aimed at all preachers and church leaders

a guide for church leaders to improve the communication of their message by leveraging new media to effectively connect people with the gospel

are your church communications accomplishing all you want them to are they helping your church grow in numbers or your people in discipleship maturity are they helping your church fully fulfill the great commission if you can t answer that positively you aren t alone in spite of the the extraordinary tools we have to create church communications many

churches stumble when it comes to having an overall goal and vision for their church communications church staffs work hard and often create lots of great looking materials but tying them to any lasting fulfillment of the goals of the church or the gospel is often difficult to change this to give day to day significance and eternal value to your church communication work you need a worthy goal a north star a plan yvon prehn s book based on many years of work in church communications the 5 steps of effective church communications and marketing to enable your church to fully fulfill the great commission will give them to you it does this by providing a north star for all your varied communications projects which is to fully fulfill the great commission this has two parts helping people come to know jesus as savior and helping them become mature disciples it takes many church communications to do this in a structured plan that consists of the five steps of invite inform include instruct inspire the book goes through each step and explains the communication pieces both in print and online that are needed to produce them it talks about the foundation of discipleship that the plan is based on how the five steps came about the strategies and characteristics that should be part of each step how to evaluate their effectiveness in your church and ends with advice for practical endurance and additional resources this book can help you modify your church communication program so that all the varied pieces in the many communication channels you use work towards the one goal of fully fulfilling the great commission in your church the book is the result of many years of working with church communicators in the ministry effective church communications effectivechurch.com

this book by michael daehn author of the seven keys to marketing genius shows churches how to effectively communicate their purpose and passion in a modern context and sell the gospel without selling out marketing the church shows you how to use marketing to become more effective at communicating with people the stakes are high for churches because the product is a message of hope that message brings people into relationship with god grows his kingdom and enables the christian to be faithful to the great commission learn more at michaeldaehn.com books

local church communication is a ministry that shares the church s story in ways that move people toward becoming disciples of christ you are part of a leadership team that brings to life your church s vision and mission your role is to be a storyteller and connector employing communications practices and tools to share the story of the church in a planned compelling accessible way your goal is to develop a reliable process for telling and hearing the story in which everyone can participate this guideline is designed to help you meet this goal this is one of the twenty six guidelines for leading your congregation 2017-2020 that cover church leadership areas including church council and small membership church the administrative areas of finance and trustees and ministry areas focused on nurture outreach and witness including

worship evangelism stewardship christian education age level ministries communications and more

are your church communications accomplishing all you want them to are they helping your church grow in numbers or your people in discipleship maturity are they helping your church fully fulfill the great commission if you can't answer that positively you aren't alone despite the extraordinary tools we have to create church communications many churches stumble when it comes to having an overall goal and vision for their church communications church staffs work hard and often create lots of great looking materials but tying them to any lasting fulfillment of the goals of the church or the gospel is often difficult to change this to give day to day significance and eternal value to your church communication work you need a worthy goal a north star a plan yvon prehn's book based on many years of work in church communications 5 steps of effective church communications and marketing to enable your church to fully fulfill the great commission will give them to you it does this by providing a north star for all your varied communications projects which is to fully fulfill the great commission fully fulfilling the great commission has two parts helping people come to know jesus as savior and helping them become mature disciples to fully fulfill the great commission the book recommends 5 steps of invite inform include instruct inspire the book goes through each step and explains the communication pieces both in print and online that are needed it talks about the foundation of discipleship that the plan is based on how the five steps came about the strategies and characteristics that should be part of each step how to evaluate their effectiveness in your church and ends with advice for practical endurance and additional resources the book will transform your church communications from scattered resources into a powerful ministry that will grow your church in size and your people in mature discipleship

although written before much of the revolution in digital media this book provides a lot of useful strategic input for those involved in media and scripture engagement

why do we need better communication skills it's the question many church leaders are asking what can our church do to reach more people the question arises from two convictions first we are commanded to compel people into the kingdom and we are to be witnesses of jesus and the gospel to everyone but we have a haunting sense that we have not yet completed this great commission the second conviction is that our church will die if we don't reach more people a changing world is putting our message and method to the test how can we be true to the message and at the same time use all the tools resources and skills we now have available jerry believes god gives the increase and people don't come to

the father unless the spirit convicts and draws them but he focuses on the part we must play in the process god's word says we must plant and water the seed of the gospel he says we are to proclaim his truth and compel people into the kingdom by always communicating the reason for our faith jerry believes we are inviting but not compelling this book gives clear direction as to how we should word our message and how to use every communication method available to us and in the best possible way he has given us a clear and practical plan for a more effective yet practical strategy of church communication jerry wilkins has his b a in marketing and has his masters from southwestern seminary he has studied and applied marketing and communication skills first as a pastor and then as a denominational leader for thirty years he is respected as a church communication strategist he has authored several books including marketing your sunday school smooth sailing avoiding storms in your ministry and resolving conflict god's way jerry resides in alabama with his wife of 50 years and has two grown children and one granddaughter

this second edition of texts from the fabc office of social communication comprises all documents originating from this office since 1996 up to the beginning of 2008 introduction

in the past ideologies and religions had a real impact on the media in the current era of mass media and communication strategies perception takes priority over identity and new questions arise how to introduce faith and religion in a pluralising and detraditionalising world what possibilities are offered by the new media how can technical innovations be incorporated in church communication following the conference belief in the media april 2007 this publication focuses on the gap between the language of faith and the language of the general media the different contributors analyse from within but also from outside a church context the historical changes and challenges the catholic church and other faiths and denominations face with regard to their social communication and media strategies however it is not only the relationship of religious institutions with the media that is at stake but also the way in which the media cover topics such as the middle east muslim immigrant populations in europe and the world youth day journalists have to find new ways to get a grip on these issues too

designed for pastors church leaders and volunteers church communications guides the reader through practical steps a church can take to strengthen their digital footprint

no matter the size budget denomination or location of your church you will be more successful at sharing your message if you do it strategically this book shares the six most important strategies that will enable your church communications to

reach people and grow your church they are strategy 1 create multi channel communications strategy 2 divide your communication team into two production levels strategy 3 always be who you are where you are strategy 4 don't let money be a determining factor strategy 5 make the most of seasonal celebrations and special events strategy 6 do not confuse irreverence for relevancy this book examines each one and teaches you how to practically apply them in your church

the blogging church offers church leaders a field manual for using the social phenomenon of blogs to connect people and build communities in a whole new way inside you will find the why what and how of blogging in the local church filled with illustrative examples and practical advice the authors answer key questions learned on the frontlines of ministry is blogging a tool or a toy what problems will blogging solve how does it benefit ministry how do i build a great blog and who am i blogging for the blogging church is a handbook that will inspire and equip you to join the conversation the book includes contributions from five of the most popular bloggers in the world robert scoble dave winer kathy sierra guy kawasaki and merlin mann as well as interviews with blogging pastors such as mark driscoll craig groeschel tony morgan perry noble greg surratt mark batterson and many more
