the indian short story is extraordinary in its ability to stick to the traditional rules of the craft and still demonstrate remarkable originality it  
revolves around a limited number of characters confines itself in time and space and has a well plotted narrative that drives its central theme  
within the traditional framework however creativity flowers and a fresh and imaginative story emerges this volume is chock full with such stories  
written by authors well known in their regional languages as well as those who have made a name for themselves in english literary circles  
carefully selected by india's literary giant the late khushwant singh these pieces represent the best of indian writing from around the country
