since a fuller range of qumran sectarian and not clearly sectarian texts and recensions has recently become available to us its implications for the comparative study of eschatological apocalyptic and messianic ideas in the dead sea scrolls and in the new testament need to be explored anew this book situates eschatological ideas in qumran literature between biblical tradition and developments in late second temple judaism and examines how the qumran evidence on eschatology resurrection

apocalypticism and messianism illuminates palestinian jewish settings of emerging christianity the present study challenges previous dichotomies between realized and futuristic eschatology wisdom and apocalypticism and provides many new insights into intra jewish dimensions to eschatological ideas in palestinian judaism and in the early jesus movement

the study of eschatology can be a daunting task especially since the book of revelation is one of the more difficult sections of the bible to understand as steve regnault makes clear in the study of eschatology however wrestling with the various approaches to end times theology doesn't have to be an overwhelming chore by compiling pertinent passages and examining them through the lenses of the major perspectives on the subject he makes the analysis of this important doctrine accessible to all believers user friendly grading charts assist readers in evaluating their own eschatological viewpoint appropriate for personal or group study the study of eschatology lends an enlightening voice to a critical conversation

a comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy the bible and its revelation about jesus christ's return is the one source of hope and confidence for the future in these dark days approximately one fourth of the bible was prophetic at the time it was written meaning that a greater body of scripture is devoted to the unfolding of god's plan than any other one subject god the architect of the ages has seen fit to take us into his confidence concerning his great design but until things to come was published the treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program this methodology produces fragmentary and unrelated knowledge of the subject in this monumental classic dr dwight pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology he deftly handles many controversial topics including a detailed presentation of premillennial eschatology with nearly a quarter of a million copies sold things to come has earned its place in the library of the pastor the scholar and the seminarian or bible institute student

if you have not made up your mind concerning the last things this book is for you if you have made up your mind but are seeking an impartial presentation of other views concerning the millennium and the tribulation you have found it here in one volume is an even handed treatment of amillennialism postmillennialism and premillennialism followed by chapters on dispensationalism pretribulationism posttribulationism and mediating tribulational views midtribulationism the partial rapture

view and imminent posttribulationism to help communicate the general mood or milieu contributing to the construction of these evangelical positions the author devotes the first two chapters to a number of other alternatives that have been popular in the nineteenth and twentieth centuries including consistent eschatology realized eschatology existential eschatology and the theology of hope each chapter begins with a brief overview that is followed by a history of the position a more thorough examination of its major concepts and arguments and finally an evaluation the author wrote this book with the prayer that it will stimulate and encourage the reader's interest in the important issues of eschatology deepen his confidence in the fact of the lord's blessed coming stimulate him to search the scriptures to determine the things which are true and increase his understanding of and appreciation for the convictions of those whose views differ from his intended primarily as a seminary and college textbook this volume is useful as well for the pastor and thoughtful layman

this collection of essays explores the rhetoric and practices surrounding views on life after death and the end of the world including the fate of the individual apocalyptic speculation and hope for cosmological renewal in a wide range of societies from ancient mesopotamia to the byzantine era the 42 essays by leading scholars in each field explore the rich spectrum of ways in which eschatological understanding can be expressed and for which purposes it can be used readers will gain new insight into the historical contexts details functions and impact of eschatological ideas and imagery in ancient texts and material culture from the twenty fifth century bce to the ninth century ce traditionally the study of eschatology and related concepts has been pursued mainly by scholars of jewish and christian scripture by broadening the disciplinary scope but remaining within the clearly defined geographical milieu of the mediterranean this volume enables its readers to note comparisons and contrasts as well as exchanges of thought and transmission of eschatological ideas across antiquity cross referencing high quality illustrations and extensive indexing contribute to a rich resource on a topic of contemporary interest and relevance eschatology in antiquity is aimed at readers from a wide range of academic disciplines as well as non specialists including seminary students and religious leaders the primary audience will comprise researchers in relevant fields including biblical studies classics and ancient history ancient philosophy ancient near eastern studies art history late antiquity byzantine studies and cultural studies care has been taken to ensure that the essays are accessible to undergraduates and those without specialist knowledge of particular subject areas

the study of eschatology may be considered as the prerogative of an apocalyptic age many in the english church of the

seventeenth century both clergy and laity believed that they had come to such a time their convictions and the premisses upon which they were founded are important to historians and theologians and to those within the church today who sense the significance of western christendom's spiritual heritage within the context of seventeenth century eschatology dr ball examines the biblical doctrine of christ's second coming the interpretation of prophecy concepts of the millennium and the kingdom of god and realized eschatology as it appeared in embryo in early quakerism millenarianism and its more radical extension in the fifth monarchy movement are set against this wider background the effect of eschatological hope on the life and witness of the church and on the pursuit of holiness in the life of the individual believer provide an appropriate conclusion belief in an imminent second advent as dr g f nuttall remarks in the preface must always have far reaching implications when held deeply and by more than a few people while a great expectation is primarily an examination of second advent doctrine and its implications during the seventeenth century it will also have something to say to those who may feel that a similar tide is flowing today

does christian hope have any relation to the specific hopes of humanity what is the role of the christian community in the movement of human history what is the relation between the human historical activity of building the world which is the concern of human hope and the divinely given gift of the kingdom of god which is the object of christian hope through these developments the primary thrust of eschatology has shifted from a concentration of the structures of the world beyond to a theological reflection on the nature of christian hope itself its biblical motto might be drawn from the first letter of peter always be prepared to make a defense to anyone who calls you to account for the hope that is in you 1 peter 3 15 what is the ground and object of christian hope how can we give an account of christian hope in the context of the secular hopes of the modern world what is the christian vision of hope for the individual for the human race and for the world of god's creation
